

PROJECT LOCATION

BERESFORD CREEK BRIDGE REPLACEMENT

The City of Charleston is preparing engineering plans to replace the Daniel Island Drive Bridge over Beresford Creek. Come learn more about the design and the construction timeline.

OPEN HOUSE DROP IN

Monday, November 15, 2021

4:30 to 6:30 PM

Providence Church | 294 Seven Farms Drive

Project team members and City staff will be available to answer questions, address concerns, and gather feedback. Persons with disabilities who may require special accommodations at the meeting may receive interpretive services upon request prior to the meeting by calling Julie Hussey at (843) 224-1096.

Covid Considerations: Providence Church has requested attendees wear masks while using their facility.
