

Daniel Island Parks Usage Information

Daniel Island is home to numerous parks and we encourage residents to enjoy them. We are frequently asked about reserving the parks for special occasions and events. Below are general guidelines and information regarding rentals and park usage.

For smaller gatherings of 20 to 30 people:

The picnic tables, grills, playground areas, etc. in the Daniel Island POA-managed parks can be enjoyed on a first-come, first-served basis without a reservation. For a list of parks and their features, please visit our website - <https://dicommunity.org/community/parks-trails/>

*Please note that Etiwan Park, Governor's Park, and Fallen Oak Park are managed by the City of Charleston. If you are interested in reserving one of these locations, please contact the City of Charleston Recreation Department at 843-724-7327. You can also visit their website - <https://www.charleston-sc.gov/362/Reservations-Rentals>
