The term shall include within its meaning, by way of illustration but not limitation, townhouse units, cluster homes, patio or zero lot line homes, permitted retail or service establishments, day care centers and single-family detached houses on separately platted lots, as well as vacant land intended for development as such, but shall not include Common Area, Exclusive Common Area, or property dedicated to the public.

In the case of a building within a condominium or other structure containing multiple dwellings, each dwelling shall be deemed to be a separate Unit, unless otherwise specified by Supplemental Declaration. In the case of a non-residential use, each separately platted lot shall be deemed to be a separate Unit, regardless of the number of uses or businesses operated on such lot, unless otherwise specified by Supplemental Declaration.

In the case of a piece, parcel or tract of the Properties which consists of vacant land or land which improvements are under construction, such parcel shall be deemed to be a single Unit until such time as a subdivision plat or master deed (as described in South Carolina Code Section 27-31-10 et seq., as amended) is filed of record on all or a portion of the parcel. Provided however that, by a Supplemental Declaration executed by the Declarant and the owner of such parcel, if other than Declarant, a parcel which is intended for the construction of multiple residential dwellings and/or multiple commercial units for separate ownership (whether by further subdivision of such parcel or pursuant to a horizontal property regime based on South Carolina Code Section 27-31-10 et seq., as amended) may be deemed for the purpose of collecting assessments in accordance with Article VIII to constitute multiple Units based on the number of proposed residential dwellings and/or commercial units anticipated to be constructed thereon as stated in the Supplemental Declaration. Any portion of the parcel encompassed by a subdivision plat or a master deed (as described in South Carolina Code Section 27-31-10 et seq., as amended) shall contain the number of Units currently existing on or to be located on the parcel as set forth in the first paragraph of this Section and assessments will be due to the Association from each such Unit Owner as provided herein. Any portion of the parcel not encompassed by such subdivision plat or master deed (as described in South Carolina Code Section 27-31-10 et seq., as amended) shall continue to be treated in accordance with this paragraph.

1.35 “Use Restrictions and Rules”: Those use restrictions and rules affecting the Properties, which may be adopted, modified and repealed as set forth in Article X. The initial Use Restrictions and Rules are set forth on Exhibit “C.”

1.36 Intentionally Omitted.

1.37 Intentionally Omitted.

1.38 “Zoning Ordinance”: The Master Plan and The City of Charleston Zoning Ordinance, as the same may be amended from time to time, and also including any applicable rules and regulations of Berkeley County, South Carolina and the State of South Carolina.

ARTICLE II: PROPERTY RIGHTS

2.1 Common Area. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, subject to:

- (a) This Declaration and all other applicable covenants;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The right of the Board to adopt, amend and repeal Use Restrictions and Rules regulating the use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;
- (d) The right of the Association to rent, lease or reserve, on a temporary basis, any portion of the Common Area to any Owner for the exclusive use of such Owner and his or her Occupants upon such conditions as may be established by the Board;
- (e) The right of the Board to suspend the right of an Owner to use recreational and social facilities within the Common Area and Exclusive Common Area pursuant to Section 4.3;
- (f) The right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area, subject to any approval requirements set forth in the Governing Documents;
- (g) The right of the Board to impose reasonable requirements and charge reasonable admission or other use fees for the use of any recreational facility situated upon the Common Area pursuant to the Governing Documents;
- (h) The right of the Board to permit use of the Common Areas, including but not limited to the facilities located thereon, by persons other than Owners, their families, lessees and guests, including the public, upon such conditions and payment of reasonable use fees, if any, established by the Board;
- (i) The right of the Declarant to designate certain facilities and areas as open to the public;
- (j) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, subject to the approval requirements set forth in Sections 2.6 and 12.6;
- (k) The rights of certain Owners to the exclusive use, access and enjoyment in and to those portions of the Common Area designated "Exclusive Common Areas," as more particularly described in Section 2.2; and
- (l) The right of the Declarant to conduct activities and establish facilities within the Properties as provided in Article XIII.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Unit shall be deemed to have assigned all such rights to the lessee of such Unit.

2.2 Exclusive Common Area. Subject to any restrictions or limitations in the deed conveying the property to the Association, certain portions of the Common Area may be designated as Exclusive Common Area and reserved for the exclusive use or primary benefit of Owners and occupants of specified Units. By way of illustration and not limitation, Exclusive Common Areas may include entry features, recreational facilities, docks, landscaped medians and cul-de-sacs, lakes and other portions of the Common Area within a particular area. As a further illustration, Exclusive Common Areas may include recreational facilities reserved for the exclusive use or benefit of Owners and occupants of Units used

primarily for residential purposes. All costs associated with maintenance, repair, replacement, and insurance of an Exclusive Common Area shall be assessed against the Owners of Units to which the Exclusive Common Areas are assigned as a Specific Assessment.

Initially, any Exclusive Common Area shall be designated as such, and the exclusive use thereof shall be assigned, in the deed by which the Declarant conveys the Common Area to the Association or on the subdivision plat relating to such Common Area; provided, however, any such assignment shall not preclude the Declarant from later assigning use of the same Exclusive Common Area to additional Units, so long as the Declarant has a right to subject additional property to this Declaration pursuant to Section 7.1. Thereafter, a portion of the Common Area may be assigned as an Exclusive Common Area of particular Units and an Exclusive Common Area may be reassigned upon approval of the Board and the vote of Members representing a majority of the total Class "A" votes in the Association, including, if applicable, a majority of the Class "A" votes to which the Exclusive Common Area is assigned, if previously assigned, and to the particular Units to which the Exclusive Common Area is to be assigned or reassigned. As long as the Declarant owns any property described on Exhibits "A" or "B" for development and/or sale, or has the right to annex property pursuant to Section 7.1, any such assignment or reassignment shall also require the Declarant's written consent.

The Association may, upon approval of a majority of the Owners to which the Exclusive Common Area is assigned, permit Owners of other Units to use all or a portion of such Exclusive Common Area upon payment of reasonable user fees, which fees shall be used to offset the specific assessments attributable to such Exclusive Common Area.

2.3 Private Amenities. Access to and use of any Private Amenity is strictly subject to the rules and procedures of the owner of such Private Amenity, and no Person gains any right to enter or to use any Private Amenity by virtue of membership in the Association or ownership or occupancy of a Unit.

2.4 No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Section shall not prohibit the Board from acquiring and disposing of other real property which may or may not be subject to this Declaration.

2.5 Condemnation. If any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of the Members representing at least 67% of the total Class "A" votes in the Association and of the Declarant, as long as the Declarant owns any property described on Exhibits "A" or "B" or has the right to annex property pursuant to Section 7.1) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement of any condemnation award or proceeds from such conveyance. Such award or proceeds shall be payable to the Association to be disbursed as follows:

If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within 60 days after such taking the Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" of this Declaration, and the Members representing at least 67% of the total Class "A" vote of the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board. The provisions of Section 6.1(c) regarding funds for the repair of damage or destruction shall apply.

If the taking or conveyance does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is

complete, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

2.6 Actions Requiring Owner Approval. If either the U.S. Department of Housing and Urban Development or the U.S. Department of Veterans Affairs is insuring or guaranteeing the Mortgage on any Unit, then the following actions shall require the prior approval of Members representing not less than two-thirds (2/3) of the total Class "A" votes in the Association and the consent of the Class "B" Member, if such exists: merger, consolidation or dissolution of the Association; annexation of additional property other than that described on Exhibit "B;" and dedication, conveyance or mortgaging of Common Area, except in accordance with Section 4.2. Notwithstanding anything to the contrary in Section 2.5 or this Section, the Association, acting through the Board, may grant easements over the Common Area for installation and maintenance of utilities and drainage facilities and for other purposes not inconsistent with the intended use of the Common Area, without the approval of the membership.

ARTICLE III: MEMBERSHIP AND VOTING RIGHTS

3.1 Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Area of Common Responsibility. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable rules regulating use of the Properties as the Board or the membership may adopt pursuant to Article X. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration and in the Design Guidelines. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of South Carolina and the rules, regulations and ordinances of the City of Charleston and Berkeley County, South Carolina.

3.2 Membership. Every Owner shall be a Member of the Association. There shall be only one membership per Unit. If a Unit is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.3(c) and in the By-Laws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

3.3 Voting. The Association shall have two classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any.

Class "A" Members shall have one equal vote for each Unit in which they hold the interest required for membership under Section 3.2; provided, there shall be only one vote per Unit and no vote shall be exercised for any property which is exempt from assessment under Section 8.11. All Class "A" votes shall be cast as provided in Section 3.3(c) below.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under this Declaration, the By-Laws and the Articles, are specified in the relevant sections of this Declaration, the By-Laws and the Articles. The Class "B" Member may appoint a majority of the members of the Board of Directors during the Class "B" Control Period which shall continue until the first to occur of the following:

(i) when 75% of the total number of Units permitted by the Master Plan for the property described on Exhibits "A" and "B" have certificates of occupancy issued thereon and have been conveyed to Persons other than Builders;

(ii) December 31, 2025; or

(iii) when, in its discretion, the Class "B" Member so determines.

After termination of the Class "B" Control Period, the Class "B" Member shall have a right to disapprove actions of the Board and committees as provided in the By-Laws. The Class "B" membership shall terminate upon the earlier of:

(i) two years after expiration of the Class "B" Control Period; or

(ii) when, in its discretion, the Declarant so determines and declares in a recorded instrument.

Upon termination of the Class "B" membership, the Declarant shall be a Class "A" Member entitled to Class "A" votes for each Unit which it owns.

The Declarant may, by Supplemental Declaration, create additional classes of membership for the owners of Units within any additional property made subject to this Declaration pursuant to Article VII, with such rights, privileges and obligations as may be specified in such Supplemental Declaration, in recognition of the different character and intended use of the property subject to such Supplemental Declaration.

(c) Exercise of Voting Rights. Except as otherwise specified in this Declaration or the By-Laws, the vote for each Unit owned by a Class "A" Member shall be exercised personally by the Owner of the particular Unit.

In any situation where there is more than one Owner of such Unit, then the vote for such Unit shall be exercised as the co-Owners determine among themselves and advise the Secretary of the Association in writing prior to the vote being taken. Absent such advice, the Unit's vote shall be suspended if more than one Person seeks to exercise it.

(d) Voting Mechanics. Voting may be conducted by written ballots or by an electronic voting process. In the event that an electronic voting process voting is used for specific issues or on all issues, then the Board in its discretion may adopt specific rules and procedures as necessary in furtherance of conducting the electronic voting process by which a Member in good standing representing a Unit may cast his/her vote electronically. In the event that the Board elects to implement an electronic voting process, the president of the Association shall be responsible for recommending, reviewing and implementing the process subject to Board approval. The voting process shall be conducted in a manner consistent with the Governing Documents and South Carolina law.

ARTICLE IV: RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1 Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall manage and control the Common Area and all improvements thereon (including, without limitation, furnishings, equipment, and other personal property of the Association used in connection with the Common Areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to this Declaration and the By-Laws and consistent with the Community-Wide Standard. The Board is specifically authorized, but not obligated, to retain or employ professional management to assist in carrying out the Association's responsibilities under this Declaration, the cost of which shall be a Common Expense.

In addition to any restrictions on the conveyance of any Common Areas or other properties owned by the Association as stated in the applicable conveyance instrument, the Association shall not sell, transfer or otherwise divest itself of ownership of the Common Areas without the written consent of the Declarant, if such divestiture occurs prior to the termination of the Class "B" membership; or the affirmative vote or written consent, or any combination thereof, of the Members representing 75% of the Class "A" votes in the Association if such divestiture occurs after the termination of the Class "B" membership. A long term lease to an unrelated entity or other similar transaction shall be deemed to be a prohibited transfer. These transfer restrictions shall not apply to the granting of easements, deeds in lieu of condemnation, or a bona fide mortgage which are not entered into in order to circumvent the transfer restrictions.

The Common Areas shall be used primarily for the benefit and enjoyment of the members of the Association and for the operational needs of the Association. The Association may generate incidental revenues from the Common Areas so long as the generation of such revenues does not have a material impact on the primary use of the Common Area in question. The following activities are expressly permitted for the generation of revenues from a Common Area: collection of fees for the use of any boat ramps; by the sale of guest passes; from the sale of food, supplies or concessions for the purchase by members of the Association, i.e. a snack bar or vending facilities; and, from rental fees for the short-term use of a Common Area for a special event, such as a wedding, party, or other gathering or event for a limited group of people for a limited amount of time. In addition to any restrictions on the use of any Common Areas or other properties owned by the Association as stated in the applicable conveyance instrument, any change in the permitted uses of a Common Area shall require the written consent of the Declarant, if such change of use occurs prior to the termination of the Class "B" membership; or the affirmative vote or written consent, or any combination thereof, of the Members representing 75% of the Class "A" votes in the Association if such change of use occurs after the termination of the Class "B" membership.

Any structures constructed on a Common Area must be approved by the Declarant or its designated assigns prior to the placement or construction of such structure on the Common Area.

The Association cannot amend or modify the provisions stated herein without the written consent of the Declarant, if such modification occurs prior to the termination of the Class "B" membership; or the affirmative vote or written consent, or any combination thereof, of the Members representing 75% of the Class "A" votes in the Association if such modification occurs after the termination of the Class "B" membership.

4.2 Personal Property and Real Property for Common Use. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property, subject to the provisions of Sections 2.6 and 12.6. The Declarant and its designees may convey to the Association improved or unimproved real estate, or interests in real estate, located within the properties described in Exhibits "A" or "B," personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. Upon written request of Declarant, the Association shall reconvey to Declarant any unimproved portions of the Properties originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make minor adjustments in property lines.

The Association agrees that the Common Area, including all improvements thereon, shall be conveyed in its "where is, as is" condition and without recourse, and Declarant disclaims and makes no representations, warranties or other agreements, express or implied with respect thereto, including without limitation, representations or warranties of merchantability or fitness for the ordinary or any particular purpose, and representations or warranties regarding the conditions, design, construction, accuracy, completeness, adequacy of the size or capacity in relation to utilization or the future economic

performance or operations of the Common Area. No claim shall be made by the Association or any Owner relating to the condition, operation, or completeness of the Common Area or for incidental or consequential damages arising therefrom. Declarant will transfer and assign to the Association, without recourse, all warranties which it receives from manufacturers and suppliers relating to any of the Common Area which exist and are assignable.

4.3 Enforcement. The Association may impose sanctions for violations of this Declaration, any applicable Supplemental Declaration, the By-Laws, or the Use Restrictions and Rules in accordance with procedures set forth in the By-Laws, including reasonable monetary fines and suspension of the right to vote and to use any recreational or other facilities within the Common Area. In addition, in accordance with the By-Laws, the Association may exercise self-help to cure violations and may suspend any services it provides to the Unit of any Owner who is more than 30 days delinquent in paying any assessment or other charge due to the Association. All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of this Declaration or Use Restrictions and Rules, if the Association prevails it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and permit Berkeley County or the City of Charleston to enforce ordinances on the Properties for the benefit of the Association and its Members.

4.4 Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, the Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5 Governmental Interests. For so long as the Declarant owns any property described on Exhibits "A" or "B," or has the right to annex property pursuant to Section 7.1, the Declarant may designate sites within the Properties for fire, police, and utility facilities, public schools and parks, streets, and other public or quasi-public facilities. The sites may include Common Areas, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site or consent to the withdrawal of the site from the Declaration, if so directed by Declarant. The sites may include other property not owned by Declarant provided the owner consents.

4.6 Indemnification. The Association shall indemnify every officer, director, ARB member and committee member against all damages, liabilities and expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, ARB member or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section, the Articles of Incorporation and South Carolina law.

The officers, directors, ARB members, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance,

malfeasance, willful misconduct, or bad faith. The officers, directors, ARB members, and committee members shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director, ARB member and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, ARB member or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

The Association shall also indemnify and forever hold harmless the Declarant to the extent that any officer, director or employee of the Declarant serves as an officer, director or committee member of the Association and the Declarant incurs any damages or expenses, including legal costs, in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding) by reason of having its officers, directors or employees serve as officers, directors, or committee members of the Association, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section, the Articles and South Carolina law. This right to indemnification shall not be exclusive of any other rights to which the Declarant may be entitled.

Notwithstanding the preceding, any indemnification obligation by the Association as stated herein will be limited to the amount of the general liability insurance policy and the officers' and directors' liability insurance policy of the Association.

4.7 Provision of Services. The Association may provide or contract for services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. By way of example, some services and facilities which may be provided include landscape maintenance, garbage collection, recycling collection, bike-sharing services, car-sharing services, pest control service, cable, digital, satellite or similar television service, internet, intranet, data and other computer related services, security, caretaker, fire protection, utilities, and similar services and facilities.

The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense or Specific Assessment, depending on whether the service or facility is provided to all Units or less than all Units. In addition, the Board shall be authorized to charge use and consumption fees for services and facilities through Specific Assessments or by requiring payment at the time the service or facility is provided. As an alternative, the Association shall be further permitted to require Owners to utilize services delivered by a provider designated by the Association. By way of example, but not limitation, the Association shall have the right, but not the obligation, to designate one garbage collection company to provide service for all Units within the Properties. The Association may arrange for the costs of the services and facilities to be billed directly to Owners by the provider(s) of such services and facilities. Any Association contract for services or facilities may require Owners to execute separate agreements directly with the Persons providing such services or facilities in order to gain access to or obtain specified services or facilities. Such contracts and agreements may contain terms and conditions that, if violated by the Owner or Occupant of a Unit, may result in termination of such benefits to the Owner's Unit. Any such termination and any failure or refusal to participate shall not relieve the Owner of the continuing obligation to pay assessments for any portion of the charges for such service or facilities that are assessed against the Unit as a Common Expense or Specific Assessment.

The Board, without the consent of the Class "A" Members of the Association, shall be permitted to modify or cancel existing services or facilities provided, if any, or to provide additional services and

facilities. Nothing contained herein can be relied upon as a representation as to the services and facilities, if any, which will be provided by the Association.

4.8 Dedication of Common Area. The Association may dedicate portions of the Common Area to Berkeley County, South Carolina, the City of Charleston, or to any other local, state, or federal governmental or quasi-governmental entity, subject to such approval as may be required by Section 2.6 and 12.6.

4.9 Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system or measures, including any mechanism or system for limiting access to the Properties, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Unit that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including Units and the contents of Units, resulting from acts of third parties.

4.10 Covenant(s) to Share Costs. So long as the Class "B" membership exists, the Declarant may, but shall not be obligated to, execute and record various declarations, covenants, and deed restrictions which may constitute covenants running with the title to certain parcels of land outside the Properties, assigning to the owners and occupants of such parcels and their members, guests, employees, agents and invitees, as applicable, certain rights to use all or portions of the Common Areas and obligating the owners of such parcels to share in the certain costs incurred by the Association which benefit such parcels. The Association is currently subject to the terms of the Fifth Amended and Restated Declaration of Easements and Covenant to Share Costs for Daniel Island dated January 1, 2019 and recorded on May 2, 2019 in Book 3011 at Page 671 in the Public Records ("Share Costs Declaration"). The Association entered into the Share Cost Declaration for the purpose of ensuring the unified maintenance of the Daniel Island community in accordance with the Community-Wide Standard. The Association shall comply with the terms of any and all Covenants to Share Costs, including the Share Costs Declaration, and any similar agreements entered into by the Association with respect to the maintenance of the Daniel Island community. The Share Costs Declaration is intended to remain in effect for perpetuity.

4.11 Relationship With Tax-Exempt Organizations. The Declarant or the Association may create, enter into agreements or contracts with, or grant exclusive and/or non-exclusive easements over the Community Area to non-profit, tax-exempt organizations for the benefit of the Properties. The Association may contribute money, real or personal property or services to any such entity. Any such contribution shall be a Common Expense and included as a line item in the Association's annual budget. For the purposes of this Section a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code, including but not limited to, Sections 501(c)(3) or 501(c)(4) thereof.

4.12 Use of Lakes, Rivers and Other Bodies of Water. Neither the Association, the Declarant, nor any successor Declarant shall be held liable for any loss or damage by reason of any permitted or prohibited use of any lake, river or other body of water for any purpose by Owners or any occupant of any Unit. Each Owner acknowledges, understands and covenants to inform its invitees and guests, and also any occupant of its Unit that the Association, its Board of Directors, ARB and committees, Declarant, and

any successor Declarant are not insurers and that each Person using any lake, river or other body of water shall do so only in accordance with the restrictions set forth in Article 10, any rules and regulations adopted by the Board and applicable governmental laws, ordinances, rules and regulations. Each Person assumes all risks of personal injury, and loss or damage to property, including Units, resulting from or associated with use of any lake, river or pond. Each Owner on behalf of itself and its invitees and guests, and also any occupant of its Unit acknowledges that lakes, rivers and other water bodies in the Properties may be designed as water management areas and are not necessarily designed as recreation or aesthetic features. Due to fluctuations in ground water elevations within the immediate area, the water level of lakes and waterways will rise and fall. Neither the Declarant nor the Association has control over such water elevations, shore features or treatments, landscaping or any other matters related to water features in the Properties. In addition, the Association shall not be responsible for maintaining, increasing or decreasing the water level within any other water body or removing vegetation from any other water body, except as provided Article V.

4.13 Presence and Management of Wildlife. Each Owner and their respective guests, family members, tenants, agents, contractors, licensees and invitees within the Properties acknowledge that the Properties are located adjacent to and in the vicinity of wetlands, bodies of water and other natural areas. Such areas may contain wildlife, including without limitation, deer, opossums, alligators, reptiles, and snakes. Neither the Association, the Board, the Declarant, nor any successor Declarant shall have any duty to take action to control, remove or eradicate any wildlife in the Properties nor shall they be liable or responsible for any personal injury, illness or any other loss or damage caused by the presence of such wildlife on the Properties. Each Owner of a Unit and all Persons within the Properties shall assume all risk of personal injury, illness, or other loss or damage arising from the presence of such wildlife and further acknowledges that the Association, the Board, the Declarant or any successor Declarant have made no representations or warranties, nor has any Owner relied upon any representations or warranties, expressed or implied, relative to the presence of such wildlife. As provided in Article XIII below, the Declarant may (but it is not required to) engage in wildlife and fishery management practices for the Properties.

4.14 Opportunities for Community Interaction. The Association may provide or contract for services and facilities. The Association may make use of computers, the internet, and expanding technology to facilitate interaction and encourage participation in Association activities. For example, the Association may sponsor a cable television channel, create and maintain a community intranet or internet home page, maintain an "online" newsletter or bulletin board, and offer other technology-related services and opportunities for Owners and occupants to interact and participate in Association-sponsored activities. To the extent South Carolina law permits, and unless otherwise specifically prohibited in the Governing Documents, the Association may send notices electronically, hold interactive web conferencing Board or Association meetings permitting attendance and voting by electronic means, and electronically send and collect assessments and other invoices.

4.15 Community Education and Training. The Association may provide or contract for services and facilities. In recognition of the fact that Owners and other residents who are well-informed regarding their community's structure and governance and their rights and responsibilities in the community, have greater capacity to participate in civic life and in the affairs of the community, the Board may establish education, training, and orientation programs relating to community governance, including "continuing" education programs, for everyone in the Properties. The Board may utilize any appropriate method to achieve these education goals, including a community intranet, learning centers, computer centers, business centers, and coordinated activities with Association committees and Board members.

Community education may begin as early as the marketing stage or the point of sale of property within the Properties and may include orientation classes regarding community structure and governance; the nature, extent, and purpose of the covenants, rules, and regulations; and community-building issues

such as the mission for Daniel Island, opportunities to participate in and affect the community's evolution and growth, and general community orientation.

Community governance education is an essential component of living in the Properties. Educating Owners regarding ownership rights, voting privileges, property use restrictions, assessment responsibility, community development, developer turn over or transition, and community activities, should be an ongoing innovative process geared toward including residents of all ages. Governance education may be offered in the form of seminars, simple question and answer pamphlets, audio/video recordings, through a community cable channel, or through an interactive website. The Board may also coordinate with nationally recognized organizations such as the Urban Land Institute or the Community Associations Institute to offer programs regarding community governance or coordinate with nationally recognized speakers in the field to provide community governance instruction and workshops.

4.16 Community Activities and Clubs. In recognition of the fact that volunteering activities benefit both Daniel Island and the larger community, the Association may promote a volunteer ethic and encourage and facilitate the organization of volunteer organizations within Daniel Island. To accomplish this end, the Association may grant incentives for volunteering, such as exemptions from specific program fees and public recognition of distinguished volunteers and their achievements. The Association also may cooperate with and support outside organizations, such as recreational leagues or cultural organizations, by making facilities available for the organization's use or sponsoring the organization's activities. Additionally, the Association may compile and maintain a data bank of Owners and occupants interested in volunteering and make such data available to other volunteer organizations.

The Association, in its sole discretion, may establish or support the establishment of "charter clubs" to encourage or facilitate the gathering of people to pursue common interests or hobbies. A charter shall confer privileges and impose responsibilities on the club and its members. For example, the Association may grant privileges including financial support, material support, facility use privileges, either with or without charge, priority for facility use, administrative and technical support, and liability insurance coverage.

The Association may grant charters to any group of individuals who share a particular field of interest. Any Owner or occupant may submit a written request to the Association for a charter. In its sole discretion, the Association may grant or deny such request. The Association may fund the charter club as a Common Expense and/or require that club members pay use or consumption fees for materials, facilities use, or other club expenses.

The Association may use computer bulletin boards, websites, and publications to assist charter clubs and other community groups, religious groups, civic groups, youth organizations, and support groups in publicizing meetings, events, and the need for volunteer assistance. However, the Association may not fund the specific advertising or promotion of a charter club's events or another volunteer group's events, unless the Association, in its sole discretion, determines that such events or organizations benefit the entire community.

4.17 Municipal Services. The Association may, but is not obligated to, contribute funds to the City of Charleston or other applicable governmental authorities, for the purpose of increasing the city's capacity to provide municipal services, including, without limitation, enhanced infrastructure Improvements (i.e., curbing, alternative paving surfaces, road and street improvements, traffic control devices, street and directional signage, etc.), and police and fire protection services, within Daniel Island. The Association may also enter into agreements with the City of Charleston or other applicable governmental authorities and/or the Town Association, for the purpose of maintaining or contributing to the costs of maintaining any roads, related drainage easements, and sidewalks within Daniel Island.

4.18 Governmental Permits. To the extent permitted by law, Declarant shall have the right in its discretion to assign, delegate, and/or otherwise transfer to the Association any of its continuing obligations and/or responsibilities under governmental permits and approvals with respect to the Properties, including, without limitation, its continuing obligations under any permit. The Association shall accept and assume such obligations and responsibilities without condition or consideration. Such assignment, delegation, or transfer and assumption shall be effective without the consent of, or any further action by the Association, but upon Declarant's request, the Association shall promptly execute any documents which Declarant requests to evidence the assignment, delegation, or transfer and assumption of such obligations and/or responsibilities. The Association shall comply in all respects with the terms of, and shall not undertake any activity inconsistent with, such permits and approvals. The Association shall indemnify, defend and hold Declarant harmless from and against any claims or losses arising out of the violation or failure to comply with any permit(s), or out of the operation, maintenance or use of any improvement or facility authorized by the permit(s), provided such claim or loss first occurs after the effective date of the assignment, delegation, transfer (or tender of the assignment, delegation, or transfer, if wrongfully refused by an Association).

ARTICLE V: MAINTENANCE

5.1 Association's Responsibility.

(a) The Association shall maintain and repair (in a manner that it deems reasonable and appropriate) the Area of Common Responsibility, which may include, but need not be limited to:

(i) all landscaping and other flora, parks, lakes, structures, and improvements, including any private streets, bike and pedestrian pathways/trails, situated upon the Common Area;

(ii) landscaping and other flora, parks, pedestrian pathways/trails, structures and improvements within public rights-of-way within or abutting the Properties or upon such other public land adjacent to the Properties as deemed necessary in the discretion of the Board;

(iii) such portions of any property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, the Share Costs Declaration, or any contract or agreement for maintenance thereof entered into by the Association;

(iv) all ponds, lakes, streams and/or wetlands located within the Properties which serve as part of the drainage and storm water retention system for the Properties, including any retaining walls, bulkheads or dams (earthen or otherwise) retaining water therein, and any fountains, lighting, pumps, conduits, and similar equipment installed therein or used in connection therewith, including ensuring compliance of the drainage system and the performance of all necessary inspections for the Properties with the South Carolina Department of Health and Environmental Control NPDES General Permit for Stormwater Discharges from Construction Activities, as supplemented, amended, revised, and modified;

(v) any property and facilities owned by the Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from the Declarant to the Association and to remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

(b) Declarant may establish specific minimum standards for the maintenance, operation and use of any Area of Common Responsibility in the Governing Documents and/or in the deed

or other instrument transferring the property to the Association. Such standards shall become part of the Community-Wide Standard. These standards may contain general provisions applicable to all of the Area of Common Responsibility, as well as specific provisions which vary from one portion of the Area of Common Responsibility to another depending upon the nature of any improvements located thereon, intended use, location, and/or unique characteristics.

(c) The Association may, as a Common Expense, maintain other property which it does not own, including, without limitation, property dedicated to the public, or provide maintenance or services related to such property over and above the level being provided by the property owner, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(d) There are hereby reserved to the Association easements over the Properties as necessary to enable the Association to fulfill such responsibilities. The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members representing 67% of the Class "A" votes in the Association and the Class "B" Member, if any, agree in writing to discontinue such operation.

The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that (i) such maintenance responsibility is otherwise assumed by or assigned to an Owner in a Supplemental Declaration executed by such Owner; (ii) such maintenance responsibility is otherwise assumed by an owner or operator of a portion of an adjacent property pursuant to a Covenant to Share Costs entered into by the Association including, but not limited to the Share Costs Declaration; or (iii) such property is dedicated to any local, state, or federal governmental or quasi-governmental entity; provided however, that in connection with any such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means except with the prior written approval of the Declarant as long as the Declarant owns any property described on Exhibits "A" or "B" of this Declaration, or has the right to annex property pursuant to Section 7.1.

(e) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to the Governing Documents, any recorded covenants, or any agreements with the owner(s) thereof. All costs associated with maintenance, repair and replacement of Exclusive Common Areas shall be assessed as a Specific Assessment against the particular Units to which the Exclusive Common Areas are assigned, notwithstanding that the Association may be responsible for performing such maintenance hereunder.

5.2 Owner's Responsibility. Each Owner shall maintain his or her Unit, and all structures, parking areas, driveways, landscaping, fences, and other improvements comprising the Unit, in a manner consistent with the Community-Wide Standard, the Design Guidelines and the Zoning Ordinance and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to the Association. Each Owner shall also maintain the driveway and mailbox serving his or her Unit and all landscaping, including street trees, located in any right-of-way immediately adjacent to the Owner's Unit. In the event that a street tree within a right-of-way is diseased, significantly damaged or destroyed, the Owner of the adjacent Unit shall be responsible for the installation of a replacement tree of the same

variety with a minimum two and one-half inch (2½") caliper at a point six inches (6") above the root ball, unless otherwise approved or directed by the ARB. Such trees shall be similar in nature to the trees generally available through the City of Charleston street tree program. In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Unit and the Owner in accordance with Section 8.7. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation. Entry by the Association or its designee under this Section shall not constitute a trespass.

5.3 Intentionally Omitted.

5.4 Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair, replacement, and irrigation as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard, the Zoning Ordinance, and all Governing Documents. Neither the Association nor an Owner shall be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

5.5 Party Walls and Similar Structures.

(a) General Rules of Law to Apply. Each wall, fence, driveway or similar structure built as a part of the original construction on the Units which serves and/or separates any two adjoining Units shall constitute a party structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party structure shall be shared equally by the Owners who make use of the party structure.

(c) Damage and Destruction. If a party structure is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the structure may restore it. If other Owners thereafter use the structure, they shall contribute to the restoration cost in equal proportions. However, such contribution will not prejudice the right to call for a larger contribution from the other users under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

(e) Disputes. Any dispute arising concerning a party structure shall be handled in accordance with the provisions of Article XIV.

5.6 Office of Ocean and Coastal Resource Management. Each Owner acknowledges that any portion of any Unit which may contain submerged land, coastal waters or other critical areas, is subject to the jurisdiction of the Office of Ocean and Coastal Resource Management. Each Owner shall be liable, to the extent of such Owner's ownership, for any damages to, any inappropriate or unpermitted uses of, and any duties or responsibilities concerning any such submerged land, coastal waters or other critical areas.

ARTICLE VI: INSURANCE AND CASUALTY LOSSES

6.1 Association Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area, if any, and on other portions of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. The Association shall have the authority to and interest in insuring any property for which it has maintenance or repair responsibility, regardless of ownership. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements;

(ii) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and any umbrella coverage) shall have a limit of at least \$1,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage; provided, should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverages or limits;

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;

(iv) Directors and officers liability coverage;

(v) Fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's best business judgment but not less than an amount equal to one-sixth of the annual General Assessments on all Units plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance, boiler and machinery insurance, and building ordinance coverage.

In the event that any portion of the Common Area is or shall become located in an area identified by the Federal Emergency Management Agency (FEMA) as an area having special flood hazards, a "blanket" policy of flood insurance on the Common Area must be maintained in the amount of 100% of current "replacement cost" of all effected improvements and other insurance property or the maximum limit of coverage available, whichever is less.

In addition, the Association will obtain and maintain property insurance on the insurable improvements within any Exclusive Common Areas in such amounts as deemed appropriate by the Association. Upon the request of an Owner owning a Unit with the right to use such Exclusive Common Area, then such Owner shall be entitled to evidence of the insurance conveyance for the applicable Exclusive Common Area.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the General Assessment; except that premiums for insurance on a particular Exclusive Common Area may be charged as a Specific Assessment to the Owners of Units to which such Exclusive Common Area is assigned, unless the Board of Directors reasonably determines that other treatment of the premiums is more appropriate. The Association shall have no insurance responsibility for any portion of the Private Amenities.

(b) Policy Requirements. The Association shall arrange for a periodic review of the sufficiency of insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in the metropolitan Charleston, South Carolina area.

All Association policies shall provide for a certificate of insurance to be furnished to each Member insured and to the Association upon written request.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 6.1(a). In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Units pursuant to Section 8.7.

All insurance coverage obtained by the Board shall:

(i) be written with a company authorized to do business in the State of South Carolina which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(ii) be written in the name of the Association as trustee for the benefitted parties. Policies on the Common Areas shall be for the benefit of the Association and its Members. Policies secured on behalf of an Exclusive Common Area shall be for the benefit of the Owners of the Units to which the Exclusive Common Area is assigned and their Mortgagees, as their interests may appear;

(iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(iv) contain an inflation guard endorsement; and

(v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

(i) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests;

(ii) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(iii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or on account of any

curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(iv) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(v) an endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;

(vi) a cross liability provision; and

(vii) a provision vesting in the Board exclusive authority to adjust losses; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

(c) Damage and Destruction. Immediately after damage or destruction to all or any part of the Properties covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Any damage to or destruction of the Common Area shall be repaired or reconstructed unless the Members representing at least 67% of the total Class "A" votes in the Association, and the Class "B" Member, if any, decide within 60 days after the loss not to repair or reconstruct.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such 60-day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed 60 additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Unit.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1(a).

6.2 Owners' Insurance. By virtue of taking title to a Unit, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on his or her Unit less a reasonable deductible. If the Association assumes responsibility for obtaining any insurance coverage on behalf of Owners, the premiums for such insurance shall be levied as a Specific Assessment against the benefitted Unit and the Owner thereof pursuant to Section 8.7.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures or landscaping on or comprising his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged improvement, structure or landscaping consistent with the original construction or such other plans and specifications as are approved in accordance with Article IX. Alternatively, the Owner shall clear the Unit of all debris and ruins and maintain the Unit in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

Additional recorded covenants applicable to an Exclusive Common Area may establish more stringent requirements for insurance and more stringent standards for rebuilding or reconstructing such Exclusive Common Area.

6.3 Limitation of Liability. Notwithstanding the duty of the Association to maintain and repair portions of the Common Area, neither the Association, its Board of Directors, its successors or assigns, nor any officer or director or committee member, employee, agent, the management company (but only if the management company is Daniel Island Town Association, Inc. or an entity related to it) of any of them shall be liable to any Member or any occupant or their agents, servants, contractors or lessees for any injury or damage sustained in the Area of Common Responsibility, the Common Area or other area maintained by the Association, or for any injury or damage caused by the negligence or misconduct of any Members, occupants or any of their agents, servants, the management company (but only if the management company is Daniel Island Town Association, Inc. or an entity related to it) or lessees, whether such loss occurs in the Common Area or in individual Units.

Each Owner, by virtue of the acceptance of title to his or her Unit, and each other Person having an interest in or right to use any portion of the Properties, by virtue of accepting such interest or right to use, shall be bound by this Section and shall be deemed to have automatically waived any and all rights, claims, demands, and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed under this Section.

ARTICLE VII: ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1 Annexation Without Approval of Membership. Until all property described on Exhibit "B" has been subjected to this Declaration or 30 years after the recording of this Declaration in the Public Records, whichever is earlier, Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the real property described in Exhibit "B." The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing a Supplemental Declaration in the Public Records describing the property being annexed. Such Supplemental Declaration shall not require the consent of Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any of the property set forth in Exhibit "B" in any manner whatsoever.

7.2 Annexation With Approval of Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the

affirmative vote of Members representing a majority of the Class "A" votes of the Association represented at a meeting duly called for such purpose, and the consent of the Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 7.1.

Such annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the Public Records. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the annexed property, and by the Declarant, if the Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.3 Withdrawal of Property. The Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to Section 7.1, for the purpose of removing any portion of the Properties from the coverage of this Declaration, provided such withdrawal is not contrary to the overall, uniform scheme of development for the Properties. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not the Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

7.4 Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including without obligation, covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association through General Assessments or as a Specific Assessment with respect to any Exclusive Common Area. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrently with or after the annexation of the subject property, and shall require the written consent of the owner(s) of the property affected by such additional covenants or easements, if other than the Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property for such purposes as deemed appropriate in the Declarant's sole discretion, including but not limited to, modifications to reflect the different character and intended use of such property.

7.5 Amendment. This Article shall not be amended without the prior written consent of Declarant so long as the Declarant owns any property described in Exhibit "A" or "B" or has the right to annex property pursuant to Section 7.1.

ARTICLE VIII: ASSESSMENTS

8.1 Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be three types of assessments: (a) General Assessments to fund Common Expenses for the general benefit of all Units; (b) Special Assessments as described in Section 8.6; and (c) Specific Assessments as described in Section 8.7. Each Owner, by accepting a deed or entering into a contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest at a rate to be set by the Board, (subject to the maximum interest rate limitations of South Carolina law), late charges in such amount as the Board may establish by resolution, costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Unit against which the assessment is made until paid, as more particularly provided in Section 8.8. Each such assessment, together with interest, late charges, costs, and reasonable attorneys' fees, also shall be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose. Upon a transfer of title to a Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Unit by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a written statement or estoppel signed by an Association officer or designee setting forth whether such assessment has been paid. Such statement or estoppel shall be conclusive evidence of payment. The Association may require the advance payment (as a Specific Assessment) of a reasonable processing fee for the cost of responding to and issuing the statement or estoppel.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of assessments at closing of the transfer of title to a Unit and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board otherwise provides, the General Assessments shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his Unit, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately.

No Owner may exempt himself from liability for assessments by non-use of Common Area, including Exclusive Common Area reserved for such Owner's use, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for payment of Common Expenses.

8.2 Declarant's Obligation for Assessments. So long as the Declarant has the right unilaterally to annex additional property pursuant to Section 7.1, Declarant may annually elect either to pay regular assessments on all of its unsold Units or to pay the difference between the amount of assessments levied on all other Units subject to assessment and the amount of actual expenditures by the Association during the fiscal year. Unless the Declarant otherwise notifies the Board in writing at least 60 days before the beginning of each fiscal year, the Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding fiscal year. The Declarant's obligations hereunder may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by a combination of these. After termination of the Class "B" Control Period, the Declarant shall pay assessments on its unsold Units in the same manner as any other Owner.

8.3 Computation of General Assessment. At least 60 days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, including a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 8.5.

General Assessments shall be levied equally against all Units and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including reserves. In determining the level of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Units reasonably anticipated to become subject to assessment during the fiscal year, and any income or expense expected to be generated from any Covenant to Share Costs.

So long as the Declarant has the right unilaterally to annex additional property pursuant to Section 7.1, the Declarant may, but shall not be obligated to, reduce the General Assessment for any fiscal

year by payment of a subsidy (in addition to any amounts paid by Declarant under Section 8.2), which may be treated as either a contribution or an advance against future assessments due from the Declarant, or a loan, in the Declarant's discretion. Any such subsidy shall be conspicuously disclosed as a line item in the Common Expense budget and the treatment of such subsidy shall be made known to the membership. The payment of such subsidy in any year shall under no circumstances obligate the Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Declarant.

The Board shall send a copy of the budget and notice of the amount of the General Assessment for the following year to each Owner at least 30 days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Members representing at least 67% of the total Class "A" votes in the Association, and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within 10 days after the date of the notice of assessments. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. The Board shall send a copy of the revised budget to each Owner at least 30 days prior to its becoming effective. The revised budget shall become effective unless disapproved in accordance with the above procedure.

8.4 Intentionally Omitted.

8.5 Reserve Budget and Capital Contribution. The Board shall annually prepare a reserve budget for the Common Areas (including any Exclusive Common Areas) which take into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect both to amount and timing by annual General Assessments and Specific Assessments for Exclusive Common Areas, if any, as appropriate over the budget period.

8.6 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against the entire membership, if such Special Assessment is for Common Expenses, or against specific Units authorized to use a specific Exclusive Common Area for which the unbudgeted expense is applicable.

Special Assessments shall become effective unless disapproved at a meeting by Members representing at least 67% of the total Class "A" votes in the Association which will be subject to the Special Assessment. There shall be no obligation to call a meeting for the purpose of considering any Special Assessment except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within 10 days after delivery of the notice of assessments. Any Special Assessment shall also require the written consent of the Class "B" Member, if such exists.

Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

8.7 Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Unit or Units as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Unit(s) or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance, janitorial service, pest control, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner;

(b) to cover costs of providing, insuring, maintaining and operating Exclusive Common Areas for the benefit of the Owners and occupants of Units which assessment shall become effective unless disapproved at a meeting by Owners representing at least 67% of the total number of Class "A" votes to which the Exclusive Common Area is assigned. There shall be no obligation to call a meeting for the purpose of considering any Specific Assessment under this subsection (b) except on petition of the Owners benefitted by such Exclusive Common Area as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within 10 days after delivery of the notice of assessments. Any Specific Assessment under this subsection (b) shall also require the written consent of the Class "B" Member, if such exists. Specific Assessments under this subsection (b) shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Specific Assessment is approved; and

(c) to cover costs incurred in bringing the Unit(s) into compliance with the terms of this Declaration, any applicable Supplemental Declaration, the By-Laws or the Use Restrictions and Rules, or costs incurred as a consequence of the conduct of the Owner or occupants of the Unit, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Unit Owner prior written notice and an opportunity for a hearing, in accordance with the By-Laws, before levying any Specific Assessment under this subsection (c).

8.8 Lien for Assessments. The Association shall have a lien against each Unit to secure payment of delinquent assessments, as well as interest, late charges (subject to the limitations of South Carolina law), and costs of collection (including attorneys' fees). Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any recorded Mortgage made in good faith for value. Such lien, when delinquent, may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The Association may bid for the Unit, at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Unit. While a Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such unit had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments. However, the sale or transfer of any Unit pursuant to foreclosure of any recorded Mortgage made in good faith and value shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Unit who obtains title pursuant to foreclosure of a Mortgage as described herein shall not be personally liable for assessments on such Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Units subject to assessment under Section 8.9, including such acquirer, its heirs, successors and assigns.

8.9 Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Unit on the first day of the month following the month in which the Board first determines a budget and levies assessments pursuant to this Article. The first annual General Assessment, if any, levied on each Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Unit.

8.10 Failure to Assess. Failure of the Board to establish assessment amounts or rates or to deliver by U.S. Mail or email each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.11 Exempt Property. The following property shall be exempt from payment of General Assessments and Special Assessments:

(a) All Common Area and such portions of the property owned by the Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1; and

(b) Any property dedicated to and accepted by any governmental authority or public utility.

8.12 Capitalization of Association. Upon acquisition of record title to a Unit by the first Owner thereof other than the Declarant or a Builder, a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in an amount equal to one-sixth of the annual General Assessment per Unit for that year. This amount shall be in addition to, not in lieu of, the annual General Assessment and shall not be considered an advance payment of such assessment. This amount shall be collected and disbursed to the Association at closing of the purchase and sale of the Unit for use in covering operating expenses and other expenses incurred by the Association pursuant to this Declaration and the By-Laws.

8.13 Community Enhancement Fee.

(a) Except for the "Excluded Transactions" (as defined below), upon the sale or transfer of title to any Unit, or any portion thereof, a community enhancement fee (the "Community Enhancement Fee") shall be due and payable at the time of closing for such sale or transfer. The Community Enhancement Fee shall be collected from the Purchaser of each Unit.

For all Units located in Etiwan Park (as identified on Exhibit "F" attached hereto) and Codner's Ferry (as identified on Exhibit "F" attached hereto), the Community Enhancement Fee shall be equal to one-quarter of one percent (0.25%) of the total purchase price of such Unit, or portion thereof, and shall be paid to Daniel Island Community Fund, Inc., a South Carolina tax-exempt community service organization ("DICF"). For all Units in all other portions of Daniel Island Residential Zone, the Community Enhancement Fee shall be equal to one-half of one percent (0.5%) of the total purchase price of such Unit, or portion thereof, and shall be paid to DICF. Any Community Enhancement Fees paid to DICF may be used by DICF in its sole discretion in accordance with its articles of incorporation and by-laws. DICF may require the purchasing and/or selling Owner to provide reasonable written proof of the applicable sales price, such as executed closing statements, contracts of sale, copies of deeds, the affidavit of consideration or other such evidence as is acceptable to DICF. Declarant and the Association hereby grant DICF a power-of-attorney, coupled with an interest, so as to provide DICF with the right, at no expense to Declarant or the Association, to collect the Community Enhancement Fee and enforce the provisions of this Section 8.13 against the Owner of the Unit, including, but not limited to, the right to seek collection of the Community Enhancement Fee and other

sums payable pursuant to this Section 8.13 as well as the right to assess a Specific Assessment (as provided in Article VIII) against the Owner's Unit or portion thereof. In addition, DICF may collect its reasonable attorneys' fees and court costs in enforcing the provisions of this Section 8.13.

(b) There shall be a maximum Community Enhancement Fee for each year. The maximum Community Enhancement Fee for the fiscal year 2005 shall be five thousand dollars (\$5,000.00). The maximum Community Enhancement Fee shall automatically increase for each subsequent fiscal year by three percent (3%) over the maximum Community Enhancement Fee of the immediately preceding fiscal year.

(c) The purchaser or transferee of a Unit, or any portion thereof, shall be responsible for the payment of the Community Enhancement Fee at closing and the closing attorney shall be responsible for delivery of the Community Enhancement Fee to DICF as provided above. In the event that the Community Enhancement Fee is not paid at closing, the amount due shall be collectible by the Association on behalf of DICF as an assessment as set forth in this Article VIII, shall bear interest, and shall constitute a lien against the Unit.

(d) Notwithstanding the foregoing, the Community Enhancement Fee shall not be due and payable for the following transactions (collectively, the "Excluded Transactions"):

- (i) The first sale of any Unit, or portion thereof, by Declarant to an Owner;
- (ii) The first sale of any Unit, or portion thereof, by a Builder to an Owner;
- (iii) The transfer of a Unit, or portion thereof, to the spouse of an Owner or to a direct linear descendant of the Owner;
- (iv) The transfer of a Unit, or portion thereof, to a trust whose beneficiaries are solely the spouse and direct linear descendants of the Owner;
- (v) The transfer of a Unit, or portion thereof, to an entity in which the Owner owns, directly or indirectly, not less than 51% of the ownership interests in such entity;
- (vi) The transfer of a Unit, or portion thereof, to an entity that owns, directly or indirectly, not less than 51% of the ownership interests in Owner;
- (vii) A Mortgagee acquiring title to a Unit or portion thereof, pursuant to a foreclosure action;
- (viii) A Mortgagee acquiring title to a Unit or portion thereof, pursuant to a conveyance in lieu of foreclosure;
- (ix) Any transfer which the Declarant, in its sole discretion, waives in writing the Community Enhancement Fee; or
- (x) Any transfer of a Unit located in any portion of Daniel Island Residential Zone which DICF, in its sole discretion, waives in writing the Community Enhancement Fee.

Except for the Excluded Transactions permitted under subparagraphs (i) and (ii) above (for which no notice shall be required), the transferring Owner shall give DICF at least thirty (30) days prior written notice of any transfer which is an Excluded Transaction with sufficient documentation to establish that the transfer is an Excluded Transaction.

It is hereby acknowledged that, in the event a transfer of a Unit, or portion thereof, is deemed in that particular instance to be an "Excluded Transaction", the subsequent transfer of that Unit, or portion thereof, shall again be subject to the Community Enhancement Fee unless such subsequent transfer independently qualifies as a separate Excluded Transaction in accordance with this Section 8.13.

(e) This Section 8.13 shall inure to the benefit of DICF and its successors and assigns and shall not be amended by the Association without the prior written consent of DICF, which may be given or withheld in DICF's sole discretion. In addition, for a period of fifty (50) years following the termination of the Class "B" Control Period, this Section shall not be deleted, amended or modified without the prior written consent of the Declarant (including its successors, successors-in-title, and assigns), which may be given or withheld in the Declarant's sole discretion.

ARTICLE IX: ARCHITECTURAL STANDARDS

9.1 General. No structure shall be placed, erected, or installed upon any Unit or adjacent to any Unit where the purpose of the structure is to service such Unit, and no improvements (including staking, clearing, excavation, grading and other site work, exterior alteration of existing improvements, and planting or removal of landscaping materials) shall take place except in compliance with this Article, and approval of the appropriate committee under Section 9.2, unless exempted from the application and approval requirements pursuant to Section 9.3.

Any Owner may remodel, paint or redecorate the interior of structures on his Unit without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Unit visible from outside the structures on the Unit shall be subject to approval, and interior furnishings, decorations and maintenance of model houses owned by Builders shall also be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect or other qualified building designer.

This Article shall not apply to the activities of the Declarant, to any improvements to the Common Area by or on behalf of the Association, or to any improvements to any Private Amenity.

This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

9.2 Architectural Review. Responsibility for administration of the Design Guidelines and review of all applications for construction and modifications under this Article shall be handled by the Architectural Review Board ("ARB") and the Modification Committee (as discussed below). The members of the ARB and the Modification Committee need not be Members of the Association or representatives of Members. The majority of Persons serving on the ARB and the Modification Committee shall be architects, landscape architects, engineers or similar professionals. The compensation, if any, of any Person serving on the ARB and Modification Committee shall be established from time to time by the ARB with the approval of the Board. The ARB and the Modification Committee may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers, or other professionals. In addition, the ARB and the Modification Committee may require the posting of deposits or bonds while construction is pending on any Unit to ensure completion of all work in compliance with plans approved by the ARB or the Modification Committee, as applicable, in conformance with all Design Guidelines, and without

damage to the Properties. In addition, the Board may elect to retain the professional services of another Daniel Island association for the establishment and function of the ARB and Modification Committee.

(a) Architectural Review Board. The ARB shall consist of at least three, but not more than seven, persons and shall have exclusive jurisdiction over all original construction on any portion of the Properties. Until 100% of the Properties have been developed and conveyed to Owners other than Builders, the Declarant retains the right to appoint all members of the ARB who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board shall appoint the members of the ARB, who shall thereafter serve and may be removed in the Board's discretion.

(b) Modifications Committee. The Board of Directors may establish a Modifications Committee ("MC") to consist of at least three and no more than five persons, all of whom shall be appointed by and shall serve at the discretion of the Board. If established, the MC shall have jurisdiction over modifications, additions, or alterations made on or to existing structures on Units or containing Units and the adjacent open space. The ARB shall have the right to veto any action taken by the MC which the ARB determines, in its sole discretion, to be inconsistent with the guidelines promulgated by the ARB. At any time following the expiration of the Declarant's right to appoint the members of the ARB, the Board may elect to eliminate the MC and have its duties assumed by the ARB.

9.3 Guidelines and Procedures.

(a) Design Guidelines. The Declarant shall prepare the initial Design Guidelines for the Properties. The Design Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one portion of the Properties to another depending upon the location, unique characteristics, and intended use. The Design Guidelines are intended to provide guidance to Owners and Builders regarding matters of particular concern to the committees in considering applications hereunder. The Design Guidelines are not the exclusive basis for decisions of the committees and compliance with the Design Guidelines does not guarantee approval of any application.

The ARB shall adopt such Design Guidelines at its initial organizational meeting and thereafter shall have sole and full authority to amend them. Any amendments to the Design Guidelines shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Guidelines; the ARB is expressly authorized to amend the Design Guidelines to remove requirements previously imposed or otherwise to make the Design Guidelines less restrictive.

The ARB shall make the Design Guidelines available to Owners and Builders who seek to engage in development or construction within the Properties. In the Declarant's discretion, such Design Guidelines may be recorded in the Public Records, in which event the recorded version, as it may unilaterally be amended from time to time, shall control in the event of any dispute as to which version of the Design Guidelines was in effect at any particular time.

The MC may promulgate detailed procedures and standards governing its area of responsibility, consistent with those set forth in the Design Guidelines and subject to review and approval or disapproval by the ARB. Any architectural guidelines and standards adopted by the MC may be more restrictive than the Design Guidelines, but under no circumstances shall they be inconsistent with the Design Guidelines.

(b) Procedures. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the appropriate

committee for review and approval (or disapproval). In addition, information concerning irrigation systems, drainage, lighting, grading, landscaping and other features of proposed construction for the Unit and the area in front of the Unit in the right-of-way between the curb and sidewalk shall be submitted as applicable. In reviewing each submission, the committees may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other things.

Each application to the ARB shall be deemed to contain a representation and warranty by the Owner that use of the plans submitted does not violate any copyright associated with the plans. Neither the submission of the plans to the ARB, nor the distribution and review of the plans by the ARB shall be construed as publication in violation of the designer's copyright, if any. Each Owner submitting plans to the ARB shall hold the members of the ARB, the Association and the Declarant harmless and shall indemnify said parties against any and all damages, liabilities, and expenses incurred in connection with the review process of this Declaration.

In reviewing and acting upon any request for approval, the ARB shall be acting solely in Declarant's interest and shall owe no duty to any other Person. Decisions may be based on purely aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary as committee members change over time.

In the event that the ARB or MC fails to approve or to disapprove any application within 30 days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Design Guidelines unless a variance has been granted in writing by the ARB pursuant to Section 9.5.

Notwithstanding the above, the ARB by resolution may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

9.4 No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.5 Variance. The ARB may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the ARB from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

9.6 Limitation of Liability. The standards and procedures established pursuant to this Article are intended to provide a mechanism for maintaining and enhancing the overall aesthetics of the Properties only, and shall not create any duty to any Person. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither the Declarant the Association, the Board, the ARB nor the MC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, the adequacy of soils or drainage, nor for ensuring compliance with building codes and other governmental requirements. The Declarant, the Association, the Board, the ARB or MC, or any committee, and all members of any of the foregoing shall not be held liable for any injury, damages, or loss arising out of the manner or quality of approved

construction on or modifications to any Unit. In all matters, the committees and their members shall be defended and indemnified by the Association as provided in Section 4.6.

9.7 Enforcement. The Declarant, any member of the ARB, the MC or the Board, or the representatives of each shall have the right, during reasonable hours and after reasonable notice, to enter upon any Unit to inspect for the purpose of ascertaining whether any structure or improvement is in violation of this Article. Any structure or improvement or landscaping placed or made in violation of this Article shall be deemed to be nonconforming. Upon written notice from the ARB, the MC, Board or the Declarant, Owners shall, at their own cost and expense, cure any violation or nonconformance or remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to cure or remove and restore the property as required, any authorized agent of the Declarant, the ARB, MC, or the Board shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. Entry for such purpose and in compliance with this Section shall not constitute a trespass. In addition, the Board may enforce the decisions of the Declarant, the ARB and the MC by any means of enforcement described in Section 4.3. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefitted Unit and collected as a Specific Assessment.

Unless otherwise specified in writing by the committee granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Unit, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Unit and an opportunity to be heard in accordance with the By-Laws, to enter upon the Unit and remove or complete any incomplete work and to assess all costs incurred against the Unit and the Owner thereof as a Specific Assessment.

Neither the ARB, MC or any member of the foregoing nor the Association, the Declarant, or their members, officers or directors shall be held liable to any Person for exercising the rights granted by this Article. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded by the ARB from the Properties, subject to the notice and hearing procedures contained in the By-Laws.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the ARB and MC.

9.8 Construction Period. The Declarant may, in the deed of conveyance for a Unit or by Supplemental Declaration, require that an Owner commence construction on a Unit within a stated period after the conveyance of the Unit to such Owner. Regardless of whether a building requirement is imposed, if the Owner does not commence construction of a dwelling within three (3) years after the date on which the Unit is first conveyed to a Person other than the Declarant, the Owner shall proceed to landscape the Unit in accordance with the landscaping requirements of the Design Guidelines, the Zoning Ordinance, and the Community Wide-Standard. The time period to proceed with landscaping with respect to each Unit is a fixed period that is binding upon each subsequent transferee from Owner. Such period shall not restart upon any subsequent transfer.

9.9 Stop Orders. During special events, including but not limited to, educational, cultural, entertainment, promotional, charitable, sporting and other similar events, held, hosted or otherwise conducted within the Daniel Island community, including but not limited to the Properties, the ARB may, and upon request of the Declarant shall, issue "stop work" orders. "Stop work" orders may prohibit the commencement of or suspend the work on any architectural change, construction, addition, alteration, change, maintenance, repair, reconstruction or other work that is visible or audible from outside a Unit or

that may cause an increase in traffic flow, from being performed by an Owner or Builder within the Properties. Any stop work order shall be set forth in writing, shall identify the Unit or Units subject to the stop work order (if not applicable to all of the Properties), shall set forth the scope of the prohibited and suspended activities and shall specify the start and stop dates for such stop work order, which period of time shall not exceed seven (7) consecutive days.

ARTICLE X: USE RESTRICTIONS AND RULES

10.1 Plan of Development; Applicability; Effect. Declarant has established a general plan of development for the Properties as a master planned community in order to enhance all Owners' quality of life and collective interests, the aesthetics and environment within the Properties, and the vitality of and sense of community within the Properties, all subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, needs, and desires within the master planned community and to regulate and control the Area of Common Responsibility. The Properties are subject to the Master Plan, the Design Guidelines, the land development, architectural, and design provisions described in Article IX, the other provisions of this Declaration governing individual conduct and uses of and actions upon the Properties, any applicable Supplemental Declaration, and the Use Restrictions and Rules promulgated pursuant to this Declaration, all of which establish affirmative and negative covenants, easements, and restrictions on the Properties, and which are enforceable by the Association as set forth in this Declaration.

The Properties shall be used only for such purposes permitted within the Daniel Island Residential Zone, as described in the Master Plan, and consistent with this Declaration and any Supplemental Declaration. As set forth in Article XIII, Declarant retains the right, in its discretion, as long as it owns any property described in Exhibit "A" or "B," or has the right to annex property pursuant to Section 7.1, to limit the uses permitted for any Unit or group of Units to one or more of the uses permitted within the Daniel Island Residential Zone, as described in the Master Plan. Such permitted use designation may be amended only as provided in Article XIII.

All provisions of this Declaration and any Use Restrictions and Rules shall apply to all Owners, occupants, tenants, guests and invitees of any Unit. Regardless of the terms stated in any lease of a Unit, the leases and all occupants of the leased Unit shall be bound by the terms of this Declaration, the By-Laws, and the Use Restrictions and Rules of the Association.

10.2 Authority to Promulgate Use Restrictions and Rules. The Use Restrictions and Rules applicable to all of the Properties are attached as Exhibit "C" to this Declaration. Subject to the terms of this Article, the initial Use Restrictions and Rules may be modified in whole or in part, repealed or expanded as follows:

(a) Subject to the Board's duty to exercise business judgment and reasonableness on behalf of the Association and its Members, the Board may adopt rules which modify, cancel, limit, create exceptions to, or expand the initial Use Restrictions and Rules. The Board shall send notice by U.S. mail or email to all Owners concerning any such proposed action at least five business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Such action shall become effective unless disapproved at a meeting by Members representing at least 51% of the total Class "A" votes in the Association; provided however, no action made after termination of the Class "B" Control Period shall be effective without prior notice to and the written approval of Declarant so long as the Declarant owns any portion of the Properties primarily for development and sale. The Board shall have no obligation to call a meeting of the Members to consider disapproval except upon petition of the Members as required for special meetings in the By-Laws. If the

Members request a meeting to consider disapproval of a Board adopted rule prior to the effective date of such rule, the rule may not become effective until after such meeting is held.

(b) Alternatively, the Members, at a meeting duly called for such purpose as provided in the By-Laws, may adopt rules which modify, cancel, limit, create exceptions to, or expand the use restrictions and rules by a vote of Members representing 51% of the total Class "A" votes in the Association and the approval of the Class "B" Member, if any.

(c) At least 30 days prior to the effective date of any action taken under subsections (a) or (b) of this Section, the Board shall send a copy of the rule to each Owner. The Association shall provide, without cost, a copy of the Use Restrictions and Rules then in effect to any requesting Member or Mortgagee.

(d) Nothing in this Article shall authorize the Board or the Members to modify, repeal or expand the Design Guidelines. In the event of a conflict between the Design Guidelines and the Use Restrictions and Rules, the Design Guidelines shall control.

10.3 Owners' Acknowledgment and Notice to Purchasers. All Owners and occupants of Units and purchasers are given notice that use of the Units is limited by the Use Restrictions and Rules as they may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract for the purchase of a Unit, acknowledges and agrees that the use and enjoyment and marketability of his or her Unit can be affected and that the Use Restrictions and Rules, including these attached as Exhibit "C," may change from time to time.

10.4 Rights of Owners. Except as may be specifically set forth in this Declaration (either initially or by amendment) or in Exhibit "C," neither the Board nor the Members may adopt any rule in violation of the following provisions:

(a) Equal Treatment. Similarly situated Owners and occupants shall be treated similarly.

(a) Speech. The rights of Owners and occupants to engage in political speech in or on their Units shall not be abridged, except that the Association may adopt time, place, and manner restrictions.

(b) Religious and Holiday Displays. The rights of Owners to display religious and holiday symbols, and decorations on the exterior portions of their Units of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt time, place, and manner restrictions on such displays. All religious and holiday symbols and decorations must be removed within 30 days following the occurrence of the applicable holiday.

(c) Household Composition. No rule shall interfere with the freedom of occupants of Units to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Unit on the basis of the size and facilities of the Unit and its fair use of the Common Area.

(d) Activities Within Dwellings. No rule shall interfere with the activities carried on within the confines of dwellings, except that the Association may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Units, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.

(e) Alienation. No rule shall prohibit leasing or transfer of any Unit, or require consent of the Association or Board for leasing or transfer of any Unit. The Association may require that Owners use lease forms approved by the Association, but shall not impose any fee on the lease or transfer of any Unit greater than an amount reasonably based on the costs to the Association of administering that lease or transfer.

(f) Reasonable Rights to Develop. No rule or action by the Association or Board shall unreasonably impede the Declarant's right to develop the Properties.

(g) Abridging Existing Rights. If any rule would otherwise require Owners or occupants of Units to dispose of personal property which they maintained in or on the Unit prior to the effective date of such rule, or to vacate a Unit in which they resided prior to the effective date of such rule, and such property was maintained or such occupancy was in compliance with this Declaration and all rules previously in force, such rule shall not apply to any such Owners without their written consent unless the rule was in effect at the time such Owners or occupants acquired their interest in the Unit.

The limitations in this Section 10.4 shall apply to Use Restrictions and Rules only; they shall not apply to amendments to this Declaration adopted in accordance with Section 16.2 nor to Supplemental Declarations.

ARTICLE XI: EASEMENTS

11.1 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Unit and any adjacent Common Area and between adjacent Units or any Unit and any Private Amenity due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

11.2 Easements for Utilities, Etc.

(a) There are hereby reserved to the Declarant, so long as the Declarant owns any property described on Exhibit "A" or "B" of this Declaration, or has the right to annex property pursuant to Section 7.1, the Association, and the designees of each (which may include, without limitation, any governmental or quasi-governmental entity and any utility company) perpetual non-exclusive easements upon, across, over, and under all of the Properties (but not through a structure) to the extent reasonably necessary for the purpose of installing, constructing, monitoring, replacing, repairing, maintaining and operating cable television systems, master television antenna systems, and other devices for sending or receiving data and/or other electronic signals; security and similar systems; roads, walkways, pathways and trails; lakes, ponds, wetlands, and drainage systems; street lights and signage; and all utilities, including, but not limited to, water, sewers, telephone, gas, and electricity, and utility meters; and for the purpose of installing any of the foregoing on property which the Declarant or the Association owns or within easements designated for such purposes on recorded plats of the Properties.

Declarant specifically grants to the local water supplier, electric company, telephone company, and natural gas supplier easements across the Properties for ingress, egress, installation, reading, replacing, repairing, and maintaining utility lines, meters and boxes, as applicable.

(b) There is hereby reserved to the Declarant, so long as the Declarant owns any property described on Exhibit "A" or "B" of this Declaration, or has the right to annex property pursuant

to Section 7.1, the non-exclusive right and power to grant such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property described on Exhibits "A" or "B."

(c) Any damage to a Unit resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of, the Person exercising the easement. Nothing contained herein shall obligate the Declarant, the Association or the Board to pursue legal recourse against any Person damaging a Unit or any portion thereof as a result of the exercise of this easement. The exercise of these easements shall not extend to permitting entry into the structures on any Unit, nor shall it unreasonably interfere with the use of any Unit and, except in an emergency, entry onto any Unit shall be made only after reasonable notice to the Owner or occupant.

(d) Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (i) to release all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (ii) to define the limits of any such easements.

11.3 Easement for Slope Control, Drainage and Waterway Maintenance. The Declarant, for itself and the Association, and their respective representatives, successors and assigns, contractors and agents, hereby establishes and reserves a permanent and perpetual non-exclusive easement appurtenant over, across, under, through and upon each Unit for the purposes of:

(a) controlling soil erosion, including grading and planting with vegetation any areas of any Unit which are or may be subject to soil erosion;

(b) drainage of natural or man-made water flow and water areas from any portion of the Properties;

(c) changing, modifying or altering the natural flow of water, water courses or waterways on or adjacent to any Unit or Common Area;

(d) dredging, enlarging, reducing or maintaining any water areas or waterways within the Properties; and

(e) installing such pipes, lines, conduits or other equipment as may be necessary for slope control, drainage and waterway maintenance of any portion of the Properties.

11.4 Easements to Serve Additional Property. The Declarant hereby reserves for itself and its duly authorized agents, representatives, and employees, successors, assigns, licensees, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of the property described in Exhibit "B," whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads and for connecting and installing utilities on such property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of vehicular traffic connected with development of such property. Declarant further agrees that if the easement is exercised for permanent access to such property and such property or any portion thereof benefitting from such easement is not made subject to this Declaration, the Declarant, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of any maintenance which the Association provides to or along any roadway providing access to such Property.

11.5 Right of Entry. The Association shall have the right, but not the obligation, to enter upon any Unit for emergency, security, and safety reasons, to perform maintenance pursuant to Article V hereof, and to inspect for the purpose of ensuring compliance with this Declaration, any Supplemental

Declaration, By-Laws, and the Use Restrictions and Rules. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, the members of the Architectural Review Board and the Modifications Committee pursuant to Article IX, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board, but shall not authorize entry into any single family detached dwelling without permission of the Owner, except by emergency personnel acting in their official capacities. Entry under this Section shall not constitute a trespass.

11.6 Easements for Golf Course.

(a) In the event that a golf course is located within or adjacent to any portion of the Properties, then every Unit and Common Area are burdened with an easement permitting golf balls unintentionally to come upon such Unit, Common Area and Exclusive Common Area, and for golfers at reasonable times and in a reasonable manner to come upon the Common Area, Exclusive Common Area, or the exterior portions of a Unit to retrieve errant golf balls; provided, however, if any Unit is fenced or walled, the golfer shall seek the Owner's permission before entry. The existence of this easement shall not relieve golfers of liability for damage caused by errant golf balls. Under no circumstances shall any of the following Persons be held liable for any damage or injury resulting from errant golf balls or the exercise of this easement: the Declarant; the Association or its Members (in their capacity as such); Daniel Island Development Company, Inc., its successors, successors-in-title or assigns; any successor Declarant; the golf course owner and operator; any Builder or contractor (in their capacities as such); any officer, director or partner of any of the foregoing, or any officer or director of any partner.

(b) In the event that a golf course is located within or adjacent to any portion of the Properties, then the owner of such golf course, its agents, successors and assigns, shall at all times have a right and non-exclusive easement of access and use over those portions of the Common Areas reasonably necessary to the operation, maintenance, repair and replacement of its golf course.

(c) Any portion of the Properties immediately adjacent to any golf course is hereby burdened with a non-exclusive easement in favor of the adjacent golf course for overspray of water from the irrigation system serving such golf course. Under no circumstances shall the Association or the owner of such golf course be held liable for any damage or injury resulting from such overspray or the exercise of this easement.

(d) The owner of any golf course within or adjacent to any portion of the Properties, its successors and assigns, shall have a perpetual, exclusive easement of access over the Properties for the purpose of retrieving golf balls from bodies of water within the Common Areas and Exclusive Common Areas lying reasonably within range of golf balls hit from its golf course.

11.7 Easements for Maintenance and Enforcement. Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, appurtenant rights and easements for the Association to enter all portions of the Properties, including each Unit, to (a) perform its maintenance responsibilities under Article 5, and (b) make inspections to ensure compliance with the Governing Documents. Except in emergencies, entry onto a Unit shall be only during reasonable hours. This easement shall be exercised with a minimum of interference to the quiet enjoyment to Owners' property, and any damage shall be repaired by the Association at its expense. Entry under this Section shall not constitute a trespass.

The Association also may enter a Unit to abate or remove, using such measures as may be reasonably necessary, any structure, thing or condition which violates the Governing Documents. All

costs incurred, including reasonable attorneys fees, may be assessed against the violator as a Specific Assessment.

11.8 Easements for Lake and Pond Maintenance and Flood Water. Declarant reserves, creates, establishes, promulgates and declares for itself and its successors, assigns, and designees and the Association the nonexclusive, perpetual, appurtenant right and easement, but not the obligation, to enter upon the lakes, ponds, streams, and wetlands located within the Area of Common Responsibility to (a) install, keep, maintain, and replace pumps and irrigation systems in order to provide water for the irrigation of any of the Area of Common Responsibility or any Private Amenity; (b) draw water from such sources for purposes or irrigation; (c) construct, maintain, and repair any bulkhead, wall, dam, or other structure retaining water; and (d) remove trash and other debris therefrom and fulfill maintenance responsibilities as provided in this Declaration. The Declarant, the Association, and their designees shall have an access easement over and across any of the Properties abutting or containing any portion of any lake, pond, stream, or wetland to the extent reasonably necessary to exercise their rights under this Section.

Declarant further reserves, creates, establishes, promulgates and declares for itself and its successors, assigns and designees, and the Association the non-exclusive, perpetual, appurtenant right and easement of access and encroachment over the Common Area and Units (but not the dwellings thereon) adjacent to or within fifty (50) feet of lake beds, ponds, streams and wetlands in order to (a) temporarily flood and back water upon and maintain water over such portions of the Properties; (b) fill, drain, dredge, deepen, clean, fertilize, dye, and generally maintain the lakes, ponds, streams, and wetlands within the Area of Common Responsibility; (c) maintain and landscape the slopes and banks pertaining to such lakes, ponds, streams, and wetlands; (d) disturb existing landscaping; and (e) pile dirt and plant materials. All persons entitled to exercise these easements shall use reasonable care in, and repair any damage resulting from the intentional exercise of such easements. All affected areas shall be restored to a neat and attractive condition to the extent practical, as soon as reasonably possible after completion of any construction or maintenance activities authorized in this Declaration. Nothing herein shall be construed to make Declarant or any other Person liable for damage resulting from flooding due to heavy rainfall or other natural disasters.

Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (a) to release all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (b) to define the limits of any such easements

11.9 Lateral Support. Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, reciprocal, appurtenant easements over every portion of the Common Area, every Unit, and any improvement which contributes to the lateral support of another portion of the Common Area, of another Unit, or of a Private Amenity shall be burdened with an easement for lateral support, and each shall also have the right to lateral support which shall be appurtenant to and pass with title to such property.

11.10 Easement for Special Events. Declarant reserves, creates, establishes, promulgates and declares for itself, its successors, assigns and designees a perpetual, non-exclusive appurtenant easement over the Common Area for the purpose of conducting or allowing its designees to conduct educational, cultural, entertainment, promotional or sporting events, and other activities of general community interest at such locations and times as Declarant, in its sole discretion, deems appropriate. Each Owner, by accepting a deed or other instrument conveying any interest in a Unit, acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the occupants of its Unit to take no action, legal or otherwise, which would interfere with the exercise of such easement or to recover damages for or as the result of any such activities.

11.11 Rights to Stormwater Runoff, Effluent and Water Reclamation. Declarant hereby reserves for itself and its designees, including but not limited to the owner of any Private Amenity, all rights to ground water, surface water, storm water runoff, and effluent located or produced within the Properties, and each Owner agrees, by acceptance of a deed to a Unit, that Declarant shall retain all such rights. Such right shall include an easement over the Properties for access, and for installation and maintenance of facilities and equipment to capture and transport such water, runoff and effluent.

11.12 Liability for Use of Easements. No Owner shall have a claim or cause of action against the Declarant, its successors or assigns, including without limitation the owner(s) of any Private Amenities, arising out of the exercise or non-exercise of any easement reserved hereunder or shown on any subdivision plat for the Properties, except in cases of willful or wanton misconduct.

ARTICLE XII: MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

12.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of 60 days, or any other violation of the Declaration or By-Laws relating to such Unit or the Owner or Occupant which is not cured within 60 days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) Any proposed action which would require the consent of a specified percentage of Eligible Holders.

12.2 No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

12.3 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

12.4 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

12.5 Construction of Article XII. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or South Carolina law for any of the acts set out in this Article.

12.6 HUD/VA Approval. As long as there is a Class "B" membership, the following actions shall require the prior approval of the U.S. Department of Housing and Urban Development or the U.S. Department of Veterans Affairs, if either such agency is insuring or guaranteeing the mortgage on any Unit: merger, consolidation or dissolution of the Association; annexation of additional property other than that described on Exhibit "B;" dedication, conveyance or mortgaging of Common Area; or material amendment of this Declaration.

ARTICLE XIII: DECLARANT'S RIGHTS

Any or all of the special rights and obligations of the Declarant set forth in the Governing Documents may be transferred in whole or in part to the Association or to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Declaration or the By-Laws. Upon any such transfer, the Declarant shall be automatically released from any and all liability arising with respect to such transferred rights and obligations. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Public Records.

The Declarant, Builders and others authorized by Declarant may maintain and carry on upon portions of the Properties such facilities and activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of Units, including, but not limited to, business offices, signs, model units, and sales offices. The Declarant and authorized Builders shall have easements for access to and use of such facilities.

The Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium, easements, or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records. No such instrument recorded by any Person, other than the Declarant pursuant to Section 7.4, may conflict with the Declaration, By-Laws, or Articles.

Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any Design Guidelines made after termination of the Class "B" Control Period shall be effective without prior notice to and the written approval of Declarant so long as the Declarant owns any portion of the Properties primarily for development and sale.

The Declarant, acting in its sole and absolute discretion, retains the right, but not the obligation, as long as it owns any property described in Exhibit "A" or "B," or has the right to annex property pursuant to Section 7.1, to limit the use of any portion of the Properties, including any one Unit or group of Units, to one or more, but less than all, of the permitted uses within the Daniel Island Residential Zone. By way of example, the Declarant may limit the use of certain Units to single family detached residential use. In the alternative, the use of a Unit or group of Units may be limited to a nonresidential use permitted under the Master Plan.

Such limitations on the use of a particular Unit or group of Units shall be set forth in Exhibit "A" to this Declaration or in a Supplemental Declaration filed in the Public Records either concurrent with or

after the annexation of the subject property in accordance with Article VII, and shall require the written consent of the owner(s) of such property, if other than the Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

The limitations on use imposed by the Declarant may not be changed without the written consent of the Declarant as long as the Declarant owns any property described on Exhibit "A" or "B" or has the right to annex property pursuant to Section 7.1. Thereafter, or at such time as the Declarant assigns its rights in this regard to the Association, any change in the limitations on use shall require the consent of the Board and the Owner(s) of the affected Unit or Units set forth in a written instrument recorded in the Public Records. The procedure for amending Use Restrictions and Rules set forth in Article X shall not apply to the amendment of permitted use designations established by Exhibit "A" to this Declaration or by a Supplemental Declaration.

The Declarant, acting in its sole and absolute discretion, retains the right, but not the obligation, to engage in wildlife and fishery management plans and practices on the Properties to the extent that such practices are permitted by applicable state and federal law. For the purpose of illustration and not limitation, this includes the right to manage and control any populations of white-tailed deer, feral hogs, raccoons, alligators and other wildlife through a variety of techniques, including organized hunting, shooting, trapping, relocating, sterilization, and habitat manipulation. Declarant may, in its sole discretion, commission environmental studies and reports relating to the Properties and the wildlife habitats located thereon, and may elect to follow or disregard any recommendations resulting from such studies. The Declarant may assign these management rights to the Association in which event the expenses of such activities shall be funded by General Assessments.

This Article may not be amended without the written consent of the Declarant. The rights contained in this Article shall terminate upon the earlier of (a) 40 years from the date this Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

ARTICLE XIV: DISPUTE RESOLUTION AND LIMITATION ON LITIGATION

14.1 Agreement to Avoid Litigation. The Declarant, the Association, its officers, directors, and committee members, all Persons subject to this Declaration, any Builder, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Properties, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that those claims, grievances or disputes described in Sections 14.2 ("Claims") shall be resolved using the procedures set forth in Section 14.3 in lieu of filing suit in any court.

14.2 Claims. Unless specifically exempted below, all claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Governing Documents, or the rights, obligations and duties of any Bound Party under the Governing Documents or relating to the design or construction of improvements on the Properties shall be subject to the provisions of Section 14.3.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Section 14.3:

(a) any suit by the Association against any Bound Party to enforce the provisions of Article VIII (Assessments);

(b) any suit by the Association to obtain a temporary restraining order, or other mandatory or prohibitive equitable relief, and such other ancillary relief as permitted to enforce the provisions of Article IX (Architectural Standards) or Article X (Use Restrictions and Rules);

(c) any suit by an Owner to challenge the actions of the Declarant, the Association, the ARB, the MC, or any other committee with respect to the approval or disapproval of plans and specifications in accordance with Article IX (Architectural Standards);

(d) any suit by an Owner to challenge the enforcement or application of specific use restrictions promulgated in accordance with the procedures set forth in Article X (Use Restrictions);

(e) any suit in which any indispensable party is not a Bound Party; and

(f) any suit which otherwise would be barred by any applicable statute of limitations.

With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolution procedures set forth in Section 14.3.

14.3 Mandatory Procedures.

(a) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (collectively, the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

(i) the nature of the Claim, including the Persons involved and Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) Claimant's proposed remedy; and

(iv) that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation and Mediation.

(i) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation.

(ii) If the Parties do not resolve the Claim within 30 days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have 30 additional days to submit the Claim to mediation under the auspices of any Berkeley County, South Carolina dispute resolution center or such other independent agency providing similar services upon which the Parties mutually agree.

(iii) If Claimant does not submit the Claim to mediation within 30 days after Termination of Negotiations, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

(iv) Any settlement of the Claim through mediation shall be documented in writing by the mediator. If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation process, or within such time as determined by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

(v) Within five days after the Termination of Mediation, the Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent and the Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

(c) Final and Binding Arbitration.

(i) If the Parties do not agree in writing to a settlement of the Claim within 15 days of the Termination of Mediation, the Claimant shall have 15 additional days to submit the Claim to arbitration in accordance with the Rules of Arbitration contained in Exhibit "D" or such rules as may be required by the agency providing the arbitrator. If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons other than Claimant.

(ii) This subsection (c) is an agreement to arbitrate and is specifically enforceable under the applicable arbitration laws of the State of South Carolina. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of South Carolina.

14.4 Allocation of Costs of Resolving Claims.

(a) Subject to Section 14.4(b), each Party shall bear its own costs, including any attorneys fees incurred, and each Party shall share equally all charges rendered by the mediator(s) and all filing fees and costs of conducting the arbitration proceeding ("Post Mediation Costs").

(b) Any Award which is equal to or more favorable to Claimant than Claimant's Settlement Demand shall add Claimant's Post Mediation Costs to the Award, such costs to be borne equally by all Respondents. Any Award which is equal to or less favorable to Claimant than any Respondent's Settlement Offer shall award to such Respondent its Post Mediation Costs.

14.5 Enforcement of Resolution. After resolution of any Claim, if any Party fails to abide by the terms of any agreement or Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section 14.3. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys' fees and court costs.

14.6 Consent of Declarant. The terms of Article XIV of the Declaration cannot be deleted, amended or modified without the written consent of the Declarant, which restriction shall survive the termination of the Class "B" Control Period and the termination of the Class "B" membership.

ARTICLE XV: PRIVATE AMENITIES

15.1 General. Neither membership in the Association nor ownership or occupancy of a Unit shall confer any ownership interest in or right to use any Private Amenity. Rights to use the Private Amenities will be granted only to such persons, and on such terms and conditions, as may be determined from time to time by the respective owners of the Private Amenities. The owners of the Private Amenities shall have the right, from time to time in their sole and absolute discretion and without notice, to amend or waive the terms and conditions of use of their respective Private Amenities, including, without limitation, eligibility for and duration of use rights, categories of use and extent of use privileges, and number of users, and shall also have the right to reserve use rights and to terminate use rights altogether, subject to the terms of any written agreements with their respective members.

15.2 Conveyance of Private Amenities. All Persons, including all Owners, are hereby advised that no representations or warranties have been or are made by the Declarant, the Association, any Builder, or by any Person acting on behalf of any of the foregoing, with regard to the continuing ownership or operation of any Private Amenity, and no purported representation or warranty in such regard, either written or oral, shall be effective unless specifically set forth in a written instrument executed by the record owner of the Private Amenity. Further, the ownership or operation of the Private Amenities may change at any time by virtue of, but without limitation, (a) the sale to or assumption of operations of any Private Amenity by a Person other than the current owner or operator; (b) the establishment of, or conversion of the membership structure to, an "equity" club or similar arrangement whereby the members of the Private Amenity or an entity owned or controlled by its members become the owner(s) and/or operator(s) of the Private Amenity; or (c) the conveyance of any Private Amenity to one or more affiliates, shareholders, employees, or independent contractors of the Declarant. No consent of the Association, any Member, or any Owner shall be required to effectuate any change in ownership or operation of any Private Amenity, for or without consideration and subject to or free of any mortgage, covenant, lien or other encumbrance.

15.3 View Impairment. Neither the Declarant, the Association, nor the owner of any Private Amenity, guarantees or represents that any view over and across any Private Amenity, the Common Area or any public facilities from Units will be preserved without impairment. The owners of such property, shall have no obligation to prune or thin trees or other landscaping, and shall have the right, in their sole and absolute discretion, to add trees and other landscaping to the Private Amenities, the Common Area or the public facilities from time to time. In addition, the owner of any Private Amenity which includes a golf course may, in its sole and absolute discretion, change the location, configuration, size and elevation of the trees, bunkers, fairways and greens from time to time. Any such additions or changes may diminish or obstruct any view from the Units and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

15.4 Rights of Access and Parking. There is hereby established for the benefit of the Private Amenities and their members (regardless of whether such members are Owners hereunder), guests, invitees, employees, agents, contractors, and designees, a right and nonexclusive easement of access and use over all roadways located within the Properties reasonably necessary to travel between the entrance to the Properties and the Private Amenities and over those portions of the Properties (whether Common Area or otherwise) reasonably necessary to the operation, maintenance, repair, and replacement of the Private Amenities. Without limiting the generality of the foregoing, members of the Private Amenities and guests and invitees of the Private Amenities shall have the right to park their vehicles on the roadways located within the Properties at reasonable times before, during, and after tournaments and other similar functions held by or at the Private Amenities to the extent that the Private Amenity has insufficient parking to accommodate such vehicles.

15.5 Covenant to Share Costs. The Association may enter into a contractual arrangement or covenant to share costs with any Private Amenity obligating the Private Amenity to contribute funds for, among other things, shared property or services and/or a higher level of Common Area maintenance.

15.6 Jurisdiction and Cooperation. It is Declarant's intention that the Association and the Private Amenities shall cooperate to the maximum extent possible in the operation of the Properties and the Private Amenities. Each shall reasonably assist the other in upholding the Community-Wide Standard as it pertains to maintenance and the Design Guidelines. The Association shall have no power to promulgate Use Restrictions or Rules other than those set forth on Exhibit "C" affecting activities on or use of the Private Amenities without the prior written consent of the owners of the Private Amenities affected thereby.

ARTICLE XVI: GENERAL PROVISIONS

16.1 Duration.

(a) Unless terminated as provided in Section 16.1(b), this Declaration shall have perpetual duration. If South Carolina law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive periods of 10 years each, unless terminated as provided herein. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of Donald J. Trump, the 45th President of the United States of America.

(b) Unless otherwise provided by South Carolina law, in which case such law shall control, this Declaration may not be terminated within 30 years of the date of recording without the consent of all Owners. Thereafter, it may be terminated only by an instrument signed by Owners of at least 75% of the total Units within the Properties and by the Declarant, if the Declarant owns any portion of the Properties, which instrument is recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

16.2 Amendment.

(a) By Declarant. Prior to the conveyance of the first Unit to a Person other than a Builder, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration or any Supplemental Declaration if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Units; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Units; or (iv) to satisfy the requirements of any local, state or federal governmental agency. However, any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent in writing. In addition, Declarant may unilaterally amend this Declaration or any Supplemental Declaration for any other purpose until December 31, 2027, provided the amendment has no material adverse effect upon any right of any Owner.

(b) By Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members holding 67% of the total Class "A" votes in the Association, and the consent of the Declarant, so long as the Declarant has an option to subject additional property to this

Declaration pursuant to Section 7.1. In addition, the approval requirements set forth in Article XII shall be met, if applicable.

Unless a higher percentage is required by Supplemental Declaration, any Supplemental Declaration may be amended by the vote of Members representing 67% of the total Class "A" votes subject to such Supplemental Declaration with the consent of the Board, and so long as the Declarant has an option to subject additional property to this Declaration pursuant to Section 7.1, the consent of the Declarant. Any amendment of the Use Restrictions and Rules shall comply with the procedure set forth in Section 10.2 and shall not be subject to the requirements set forth in this Section.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date. No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

16.3 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

16.4 Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of Members holding at 75% of the total Class "A" votes in the Association. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article VIII; (c) proceedings involving challenges to ad valorem taxation; (d) counter-claims brought by the Association in proceedings instituted against it or (e) actions brought by the Association against any contractor, vendor, or supplier of goods and services arising out of a contract for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above. This Section shall apply in addition to the provisions of Article XIV, if applicable.

16.5 Cumulative Effect; Conflict. The provisions of this Declaration shall be cumulative with any additional recorded covenants, restrictions, and declarations applicable to any Exclusive Common Area, and the Association may, but shall not be required to, enforce the covenants, conditions, and provisions applicable to any Exclusive Common Area; provided, however, in the event of a conflict between or among this Declaration and such covenants or restrictions, and/or the provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, this Declaration, the By-Laws, Articles, and Use Restrictions and Rules of the Association shall prevail over any covenants, restrictions, and declarations applicable to any Exclusive Common Area. The foregoing priorities shall apply, but not be limited to, the lien for assessments created

in favor of the Association. Nothing in this Section shall preclude any Supplemental Declaration or other recorded declaration, covenants and restrictions applicable to any portion of the Properties from containing additional restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

16.6 Use of the Words "Daniel Island". No Person shall use the words "Daniel Island" or any derivative in any printed or promotional material without the Declarant's prior written consent. However, Owners may use the terms "Daniel Island" in printed or promotional matter where such term is used solely to specify that particular property is located within Daniel Island and the Association and any other community association located on Daniel Island shall be entitled to use the words "Daniel Island" in its name.

16.7 Use of the "Daniel Island" Marks. Use of any trademarks, symbols, signs, logos, or other marks associated with "Daniel Island" is strictly prohibited. No Person shall use any such mark without the prior written consent of the Declarant or other owner.

16.8 Compliance. Every Owner and occupant of any Unit shall comply with the Governing Documents. Subject to the terms of Article XIV, failure to comply shall be grounds for an action by the Association, the Declarant or, in a proper case, by any aggrieved Unit Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

16.9 Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to his or her Unit shall give the Board at least seven days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Unit, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

16.10 Exhibits. Exhibits "A," "B," and "D" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Section 16.2. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions of this Declaration which refer to such exhibits.

16.11 Use of New Technology. Notwithstanding any provisions contained herein to the contrary, due to the ongoing development of new technologies and corresponding changes in business practices, to the extent permitted by law now or in the future: (1) any notice required to be sent or received; (2) any signature, vote, consent or approval required to be obtained; or (3) any payment required to be made may be accomplished using the most advanced technology available at that time if such use is a generally accepted business practice. Any siren or device for security purposes shall contain a device or system which causes it to shut off automatically;

(l) Dumping of grass clippings, leaves or other debris, petroleum products, fertilizers, or other potentially hazardous or toxic substances in any buffer zone, drainage or irrigation ditch, swale, stream, pond, wetlands, creek or lake, or elsewhere within the Properties or adjoining areas, except that fertilizers may be applied to landscaping on Units provided care is taken to minimize runoff, and Declarant and Builders may dump and bury rocks and trees removed from a building site on such building site;

(m) Accumulation of rubbish, trash, yard debris, or garbage, including material for recycling, except between regular garbage or recycling pick ups, and then only in approved containers and in compliance with the applicable city or county ordinance, and screened from view from streets and other Units;

(n) Obstruction, rechanneling or any other interference with drainage flows after location and installation of drainage swales, storm sewers, or storm drains, except that the Declarant and the Association shall have such right; provided, the exercise of such right shall not materially diminish the value of or unreasonably interfere with the use of any Unit without the Owner's consent;

(o) Subdivision of a Unit into two or more Units, or changing the boundary lines of any Unit after a subdivision plat including such Unit has been approved and filed in the Public Records, except with the consent of the Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" for development as part of the Properties, or has the right to annex property pursuant to Section 7.1;

(p) Discharge of firearms, firecrackers and other fireworks; provided, the Board shall have no obligation to take action to prevent or stop such discharge;

(q) On-site storage of gasoline, heating, or other fuels, except that a reasonable amount of fuel may be stored on each Unit for emergency purposes and operation of lawn mowers and similar tools or equipment, and the Association shall be permitted to store fuel for operation of maintenance vehicles, generators, and similar equipment. This provision shall not apply to any underground fuel tank approved by the ARB;

(r) Any business or trade which is not expressly permitted for the Daniel Island Residential Zone, or any garage sale, moving sale, rummage sale, estate sale, or similar activity, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Unit; (ii) the business activity conforms to all zoning requirements for the Properties; (iii) the business activity does not involve regular visitation of the Unit by clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the Properties; and (iv) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

(s) Door to door solicitations for any purpose are strictly prohibited, including but not limited to, for the sale of goods or services, collection of funds, completion of questionnaires, and providing religious, political or other information.

(t) The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time, (ii) such activity is intended to or does generate a profit, or (iii) a license is required.

The leasing of a Unit shall not be considered a business or trade. Leasing is defined as regular, exclusive occupancy of a Unit by any person, other than the Owner, for which the Owner receives any consideration or benefit, including but not limited to, a fee, service, gratuity or emolument. This subsection shall not apply to any activity conducted by the Declarant or a Builder approved by the Declarant with respect to its development and sale of the Properties or its use of any Units which it owns within the Properties, including the operation of a timeshare or similar program;

(u) Capturing, trapping or killing of wildlife within the Properties, except in circumstances posing an imminent threat to the safety of persons using the Properties;

(v) Any activities which materially disturb or destroy the vegetation, wildlife, wetlands, or air quality within the Properties or adjoining buffer zones or which use excessive amounts of water or which result in unreasonable levels of sound or light pollution;

(w) Conversion of any carport or garage to finished space for use as an apartment or other integral part of the living area on any Unit without the prior approval of the appropriate committee pursuant to Article IX;

(x) Operation of motorized vehicles on pathways or trails maintained by the Association, except that golf carts may be operated on cart paths intended for such purposes;

(y) Any construction, erection, or placement of any thing, permanently or temporarily, on the outside portions of the Unit, whether such portion is improved or unimproved, except in strict compliance with the provisions of Article IX of the Declaration. This shall include, without limitation, basketball hoops, signs, swing sets and similar sports and play equipment; clotheslines; garbage cans; woodpiles; above-ground swimming pools; docks, piers and similar structures (including those constructed outside the boundaries of a Unit but designed to service a particular Unit or Units); and hedges, walls, dog runs, animal pens, or fences of any kind. In furtherance thereof, the ARB may require fences and walls, such as around trash receptacles, HVAC units and service yards, as well as along driveways in special situations where the driveway runs between two adjacent lots. For homes serviced by a rear or side alley, the rear property line contiguous with the alley is required to have a fence, wall or hedge 3'6" to 8' high.

(z) Any antennas, satellite dishes, or other apparatus for the transmission or reception of television, radio, satellite, or other communication or other signals of any kind without the approval of the ARB. Notwithstanding the foregoing, DBS and MMDS antennas one meter or less in diameter and television broadcast service antennas may be installed only in accordance with Federal Communications Commission ("FCC") rules and any requirements of the ARB that are consistent with the rules of the FCC, as they may be amended from time to time. Such items shall be installed in the least conspicuous location on the Unit available which permits reception of an acceptable signal.

2. Prohibited Conditions. The following shall be prohibited within the Properties:

(a) Plants, landscaping, animals, devices or other things of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties;

(b) Structures, equipment or other items on the exterior portions of a Unit, including but not limited to, any fences, painting, or siding, which have become rusty, dilapidated or otherwise fallen into disrepair;

(c) Sprinkler or irrigation systems or wells of any type which draw upon water from lakes, creeks, streams, rivers, ponds, wetlands, canals, or other ground or surface waters within the Properties, except that Declarant and the Association shall have the right to draw water from such sources.

(d) Window air-conditioning units;

(e) Use of any Unit for operation of a timesharing, fraction-sharing, or similar program whereby the right to exclusive use of the Unit rotates among participants in the program on a fixed or floating time schedule over a period of years, except that Declarant and its assigns may operate such a program with respect to Units which it owns; and

(f) The display of signs, objects or items of any kind by or on behalf of an Owner or occupant of a Unit without the prior written consent of the ARB, except (1) such signs as may be required by legal proceedings; and (2) not more than one (1) professional security sign of such size deemed reasonable by the ARB in its sole discretion. Unless in compliance with Article IX, no signs, objects or other displays shall be posted or erected by or on behalf of any Owner or occupant within any portion of the Properties, including the Common Area, any Unit or any structure or dwelling located on the Common Area or any Unit (if such sign would be visible from the exterior of such structure or dwelling as determined in the reviewing body's sole discretion). Notwithstanding the preceding, an Owner is permitted to display one political sign (not exceeding 18" by 24") per candidate on his Unit for a time period not to exceed 45 days prior to the election and 5 days following the election. In addition, no signs shall be placed in any rights of ways.

(g) Unless specifically approved in writing by the ARB, no "for sale", "open house" or "for lease" signs shall be permitted within any portion of the Properties. In addition, no brochure racks, information tubes, boxes or any other item or object may be placed on or erected within the Properties or attached to or placed on or adjacent to any permitted sign, either permanently or temporarily, without the prior written consent of the ARB. The Declarant and the ARB reserve the right to prohibit other types of signs and/or displays, and may also restrict the size, content, color, lettering, design and placement of any approved signs. Any approved signs must be professionally prepared. This provision shall not apply to entry, directional, marketing, or other signs installed by the Declarant or its duly authorized agent as may be necessary or convenient for the marketing and development of the Properties. In addition to all other rights and remedies set forth in the Declaration, the ARB, Declarant and the Board shall have the right to enter property and to remove any sign or display posted in violation of this provision, and such entry shall not constitute a trespass.

3. Change of Use. Pursuant to Section 3.2(d) of the Master Plan, certain nonresidential uses of Units may be permitted within the Properties. In order to preserve the character and nature of the Properties, to enhance all Owners' quality of life and collective interests, and to protect the aesthetics and environment within the Properties, the Board hereby irrevocably grants to the ARB, the right to review and approve or disapprove of (a) the commencement of any nonresidential use of a Unit; and (b) any change of use of a Unit. Incidental business use of a Unit that complies with subsections (i) through (iv) of Section 1(n) of this Exhibit "C" and with the definition of home occupation pursuant to Section 3.2(d)(13) of the Master Plan shall not require approval under this Section.

From the date of recording of this Amendment, the use for all or any portion of a Unit shall not be changed from residential or the use that was last approved in writing by the ARB in accordance with this Section unless and until an application for such change in use has been submitted to and approved in writing by ARB. The ARB may require the submission of application forms and such information as it deems necessary to consider any application for approval of a change in use.

All such review and approval of the use or uses for any portion of the Properties shall be done and made in ARB's sole and absolute discretion and an approval of a specific use for a Unit or portion thereof, or a group of Units shall not be deemed an approval for any other Units nor shall it constitute a waiver of the right to withhold approval as to any similar proposals for use of a specific Unit or of other Units within the Properties. The failure of an Owner to submit and obtain approval for any change of use, or to comply with such use after approval thereof, shall be deemed a violation of this Declaration and shall be subject to enforcement as provided in this Declaration and in the By-Laws.

Notwithstanding the foregoing, the following uses, although permitted under the Master Plan, shall be prohibited within the Properties and shall not be approved by the ARB:

- (a) Banks;
- (b) Clothing rental establishments;
- (c) Cut metal craft shops;
- (d) Dry goods stores;
- (e) Drug stores;
- (f) Food stores;
- (g) Furrier shops, custom;
- (h) Laundry establishments, self-service;
- (i) Loan offices;
- (j) Package liquor stores;
- (k) Real estate brokerage firms, real estate sales offices, or any other business directly or indirectly selling and/or managing real property real property or improvements. For so long as Declarant has any rights under this Declaration, Daniel Island Real Estate Company, Inc., its successors and assigns (collectively, "DIREC") shall have the exclusive right to maintain an office for the sale or rental of real estate within the Properties. No part of the Properties may be used as an office for the sale or rental of real estate without the prior written consent of DIREC, which shall be granted in the sole discretion of DIREC;
- (l) Shooting clubs, indoors;
- (m) Taxidermist shops; and
- (n) Variety stores.

Any use or activity which requires a determination by the zoning administrator under Section 3.2(d)(4) of the Master Plan that such use or activity is a "similar sales and service establishment use of a nonnuisance nature" shall also be prohibited within the Properties unless such specific use or activity receives the prior written approval of the ARB.

EXHIBIT "D"**Rules of Arbitration**

1. Claimant shall submit a Claim to arbitration under these Rules by giving written notice to all other Parties stating plainly and concisely the nature of the Claim, the remedy sought and Claimant's submission of the Claim to arbitration ("Arbitration Notice").

2. The Parties shall select arbitrators ("Party Appointed Arbitrators") as follows: all the Claimants shall agree upon one (1) Party Appointed Arbitrator, and all the Respondents shall agree upon one (1) Party Appointed Arbitrator. The Party Appointed Arbitrators shall, by agreement, select one neutral arbitrator ("Neutral") so that the total arbitration panel ("Panel") has three (3) arbitrators.

3. If the Panel is not selected under Rule 2 within 45 days from the date of the Arbitration Notice, any party may notify the nearest chapter of The Community Associations Institute, for any dispute arising under the Governing Documents, or the American Arbitration Association, or such other independent body providing arbitration services, for any dispute relating to the design or construction of improvements on the Properties, which shall appoint one Neutral ("Appointed Neutral"), notifying the Appointed Neutral and all Parties in writing of such appointment. The Appointed Neutral shall thereafter be the sole arbitrator and any Party Appointed Arbitrators or their designees shall have no further duties involving the arbitration proceedings.

4. No person may serve as a Neutral in any arbitration in which that person has any financial or personal interest in the result of the arbitration. Any person designated as a Neutral or Appointed Neutral shall immediately disclose in writing to all Parties any circumstance likely to affect impartiality, including any bias or financial or personal interest in the outcome of the arbitration ("Bias Disclosure"). If any Party objects to the service of any Neutral or Appointed Neutral after receipt of that Neutral's Bias Disclosure, such Neutral or Appointed Neutral shall be replaced in the same manner in which that Neutral or Appointed Neutral was selected.

5. The Appointed Neutral or Neutral, as the case may be ("Arbitrator") shall fix the date, time and place for the hearing. The place of the hearing shall be within the Properties unless otherwise agreed by the Parties. In fixing the date of the hearing, or in continuing a hearing, the Arbitrator shall take into consideration the amount of time reasonably required to determine Claimant's damages accurately.

6. Any Party may be represented by an attorney or other authorized representative throughout the arbitration proceedings. In the event the Respondent fails to participate in the arbitration proceeding, the Arbitrator may not enter an Award by default, but shall hear Claimant's case and decide accordingly.

7. All persons who, in the judgment of the Arbitrator, have a direct interest in the arbitration are entitled to attend hearings. The Arbitrator shall determine any relevant legal issues, including whether all indispensable parties are Bound Parties or whether the claim is barred by the statute of limitations.

8. There shall be no stenographic record of the proceedings.

9. The hearing shall be conducted in whatever manner will, in the Arbitrator's judgment, most fairly and expeditiously permit the full presentation of the evidence and arguments of the Parties. The Arbitrator may issue such orders as it deems necessary to safeguard rights of the Parties in the dispute without prejudice to the rights of the Parties or the final determination of the dispute.

10. If the Arbitrator decides that it has insufficient expertise to determine a relevant issue raised during arbitration, the Arbitrator may retain the services of an independent expert who will assist the Arbitrator in making the necessary determination. The scope of such professional's assistance shall be determined by the Arbitrator in the Arbitrator's discretion. Such independent professional must not have any bias or financial or personal interest in the outcome of the arbitration, and shall immediately notify the Parties of any such bias or interest by delivering a Bias Disclosure to the Parties. If any Party objects to the service of any professional after receipt of a Bias Disclosure, such professional shall be replaced by another independent licensed professional selected by the Arbitrator.

11. No formal discovery shall be conducted in the absence of express written agreement among all the Parties. The only evidence to be presented at the hearing shall be that which is disclosed to all Parties at least 30 days prior to the hearing; provided, however, no Party shall deliberately withhold or refuse to disclose any evidence which is relevant and material to the Claim, and is not otherwise privileged. The Parties may offer such evidence as is relevant and material to the Claim, and shall produce such additional evidence as the Arbitrator may deem necessary to an understanding and determination of the Claim. The Arbitrator shall be the sole judge of the relevance and materiality of any evidence offered, and conformity to the legal rules of evidence shall not be necessary. The Arbitrator shall be authorized, but not required, to administer oaths to witnesses.

12. The Arbitrator shall declare the hearings closed when satisfied the record is complete.

13. There will be no posthearing briefs.

14. The Award shall be rendered immediately following the close of the hearing, if possible, and no later than 14 days from the close of the hearing, unless otherwise agreed by the Parties. The Award shall be in writing, shall be signed by the Arbitrator and acknowledged before a notary public. If the Arbitrator believes an opinion is necessary, it shall be in summary form.

15. If there is more than one arbitrator, all decisions of the Panel and the Award shall be by majority vote.

16. Each Party agrees to accept as legal delivery of the Award the deposit of a true copy in the mail addressed to that Party or its attorney at the address communicated to the Arbitrator at the hearing.

These Third Amended and Restated By-Laws supersede and replace the Second By-Laws and the Amended and Restated By-Laws and all other prior versions of the By-Laws for Daniel Island Community Association, Inc.

BY-LAWS
OF
DANIEL ISLAND COMMUNITY ASSOCIATION, INC.

ARTICLE I: NAME, PRINCIPAL OFFICE, AND DEFINITIONS

1.1 Name. The name of the corporation is Daniel Island Community Association, Inc. (the "Association"), a South Carolina mutual benefit corporation.

1.2 Principal Office. The principal office of the Association shall be located in either Charleston County or Berkeley County, South Carolina. The Association may have such other offices, either within or outside the State of South Carolina, as the Board of Directors may determine or as the affairs of the Association may require.

1.3 Definitions. The words used in these Third Amended and Restated By-Laws shall be given their normal, commonly understood definitions. Capitalized terms shall have the same meaning as set forth in that certain Declaration of Covenants, Conditions, and Restrictions for Daniel Island Residential Zone filed in the Public Records, as it may be amended, supplemented, consolidated, including, the Second Amendment thereto and any amendments thereto and any restatements thereof from time to time (the "Declaration"), unless the context indicates otherwise.

ARTICLE II: ASSOCIATION: MEMBERSHIP, MEETINGS, QUORUM, VOTING, PROXIES

2.1 Membership. The Association shall have two classes of membership, Class "A" and Class "B," as more fully set forth in the Declaration. Provisions of the Declaration pertaining to membership are incorporated herein by this reference.

2.2 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as the Board may designate, either within the Properties or as convenient as possible and practical. Meetings may be held by means of telephone conference, video conference or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation by one of these methods shall constitute presence in person at such meeting.

2.3 Annual Meetings. Annual meetings shall be held annually on a date and at a time set by the Board.

2.4 Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting if so directed by resolution of the Board or upon a petition signed by Members representing at least five percent of the total Class "A" votes of the Association.

2.5 Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting, not less than 10 nor more than 60 days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when otherwise required by statute or these Third Amended and Restated By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Association, with postage prepaid. If sent by facsimile, electronic mail, or other electronic communication device, notice shall be deemed delivered when transmitted to the Member at his or her address, e-mail address, or telephone or fax number as it appears on the Association's records. Failure to receive actual notice of an Association meeting shall not affect the validity of any action taken at such meeting.

2.6 Waiver of Notice. Waiver of notice of a meeting of the Association shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Association, either before or after such meeting. Attendance at a meeting by a Member shall be deemed a waiver by such Member of any objection as to lack of notice of the time, date, and place thereof, unless specific objection as to the lack of proper notice is given at the time the meeting is called to order. Attendance at a special meeting also shall be deemed a waiver of notice of all business transacted at such meeting unless an objection to the consideration of the business is raised before or when the business is presented for a vote.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Members who are present at such meeting may adjourn the meeting to a time not less than five nor more than 30 days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business may be transacted that might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not set by those in attendance at the original meeting or if for any reason a new date is set for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that any action taken is approved by at least a majority of the votes required to constitute a quorum.

2.8 Voting. The voting rights of the Members shall be as set forth in the Declaration and in these Third Amended and Restated By-Laws, and such voting rights provisions are specifically incorporated by this reference. Except as otherwise specified in the Declaration or these Third Amended and Restated By-Laws, the vote for each Unit owned by a Class "A" Member shall be exercised by the Member owning such Unit, as provided in Article III of the Declaration. The Board may adopt policies and procedures regarding the methods of casting votes, such as written ballots, secret ballots, or electronic ballots.

2.9 List for Voting. After setting a record date for notice of a meeting, the Board shall prepare an alphabetical list of the names of the Members entitled to notice of such meeting. The list shall show the address of each Member and the number of votes each is entitled to cast at the meeting. The list for voting shall be made available for inspection in accordance with South Carolina law.

2.10 Proxies. On any matter as to which a Member is entitled to cast the vote for his Unit, such vote may be cast in person or by proxy, subject to the limitations of South Carolina law relating to use of general proxies and subject to any specific provision to the contrary in the Declaration or these Third Amended and Restated By-Laws. Every proxy shall be in writing specifying the Unit for which it is

given, signed by the Member or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid. Every proxy shall be revocable and shall automatically cease upon conveyance of any Unit for which it was given, upon receipt by the Secretary of written notice of revocation of the proxy or of the death or judicially declared incompetence of a Member who is a natural person, or 11 months from the date of the proxy, unless a shorter period is specified in the proxy.

2.11 Majority. As used in these Third Amended and Restated By-Laws, the term "majority" shall mean those votes, Owners, or other group as the context may indicate totaling more than 50% of the total eligible number.

2.12 Quorum. Except as otherwise provided in these Third Amended and Restated By-Laws or in the Declaration or the Articles of Incorporation of the Association, the presence of Members representing ten percent (10%) of the total Class "A" votes in the Association shall constitute a quorum at all meetings of the Association. In the event that the Association is unable to establish a quorum at a duly called and held meeting, the Board may adjourn and reconvene the meeting as provided in Section 2.7 of these Third Amended and Restated By-Laws and the quorum requirement at such reconvened meeting shall be the presence of the Members representing five percent (5%) of the total Class "A" votes in the Association.

2.13 Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

2.14 Action Without a Meeting. Any action required or permitted by law to be taken at any annual, regular, or special meeting of the Members may be taken without a meeting if: (i) the Association delivers a written ballot, or to the extent permitted by South Carolina and federal law, an electronic ballot to every Member entitled to vote on such matter; (ii) the number of votes cast by written or electronic ballot satisfies the quorum requirements set forth in Section 2.12; and (iii) at least a majority of the votes required to constitute a quorum approve such proposed action. A written or electronic ballot shall: (i) set forth each proposed action; (ii) provide an opportunity to vote for or against each proposed action; (iii) indicate the number of responses needed to meet the quorum requirements; (iv) state the percentage of approvals necessary to approve each matter other than election of directors; and (v) specify the time by which a ballot must be received by the Association in order to be counted. Except as provided herein, no written or electronic ballot may be revoked.

ARTICLE III: BOARD OF DIRECTORS: NUMBER, POWERS, MEETINGS

A. Composition and Selection.

3.1 Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one equal vote. Except with respect to directors appointed by the Class "B" Member or serving as a representative of the Declarant, the directors shall be eligible Members or residents; provided, however, no Owner and resident representing the same Unit may serve on the Board at the same time. No Owner or resident shall be eligible to serve as a director if any assessment for such Owner's or resident's Unit is delinquent. A "resident" for purposes of these Third Amended and Restated By-Laws shall mean any natural person 18 years of age or older whose principal residence is a Unit within the Properties. In the case of a Member or resident which is not a natural

person, any officer, director, partner, member, manager, employee, or fiduciary of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member or resident; provided, that no Member or resident may have more than one such representative on the Board at a time, except in the case of directors appointed by or serving as representatives of the Class "B" Member or Declarant.

3.2 Number of Directors. The Board shall consist of three to seven directors as provided in Sections 3.3 and 3.5 below.

3.3 Directors During Class "B" Control Period. Subject to the provisions of Section 3.5, the directors shall be selected by the Class "B" Member acting in its sole discretion and shall serve at the pleasure of the Class "B" Member during the Class "B" Control Period.

3.4 Nomination and Election Procedures.

(a) Determination of Candidates and Election of Directors. The slate of candidates for election to the Board of Directors will be determined by the submission of names to the Board of Directors by a stated date (the "Submission Date"). At least twenty-eight (28) days prior to the Submission Date, the Board of Directors will provide written, printed or electronic notice to the Members of the requirement to submit the names of candidates for inclusion on the ballot for election to the Board of Directors by the Submission Date. All persons who satisfy the criteria stated in Section 3.1 above, whose name was submitted by the Submission Date, and who satisfy the criteria stated herein or in the Declaration will be included on the ballot. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

(b) Election Procedures. There shall be no cumulative voting. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. The ballot shall be in the form prescribed stated in Section 2.14 above and as required by South Carolina law, including South Carolina Code Section 33-31-708, as amended. Directors may be elected to serve no more than two (2) consecutive terms.

3.5 Election and Term of Office. Notwithstanding any other provision of these Third Amended and Restated By-Laws:

(a) Within 30 days after the time that Class "A" Members other than Builders own 25% of the Units permitted by the Master Plan for the property described in Exhibits "A" and "B" of the Declaration, or whenever the Class "B" Member earlier determines, the President shall call for an election by which the Class "A" Members shall be entitled to elect one of the three directors, who shall be an at-large director. The remaining two directors shall be appointees of the Class "B" Member. The director elected by the Class "A" Members shall not be subject to removal by the Class "B" Member and shall be elected for a term of two years. If such director's term expires prior to the happening of the event described in subsection (b), a successor shall be elected for a like term.

(b) Within 30 days after the time that Class "A" Members other than Builders own 50 % of the Units permitted by the Master Plan for the property described in Exhibits "A" and "B" of the Declaration, or whenever the Class "B" Member earlier determines, the Board shall be increased to five directors. The President shall call for an election by which the Class "A" Members or the Members, if elected, shall be entitled to elect two of the five directors, who shall serve as at-large directors. The remaining three directors shall be appointees of the Class "B" Member. The directors elected by the Members shall not be subject to removal by the Class "B" Member and shall be elected for a term of two

years. If such directors' terms expire prior to the happening of the event described in subsection (c) below, successors shall be elected for a like term.

(c) Within 90 days after termination of the Class "B" Control Period, the President shall call for an election by which the Members shall be entitled to elect three of the five directors, who shall serve as at-large directors. The remaining two directors shall be appointees of the Class "B" Member. The directors elected by the Members shall not be subject to removal by the Class "B" Member and shall serve until the first annual meeting following the termination of the Class "B" Control Period. If such annual meeting is scheduled to occur within 90 days after termination of the Class "B" Control Period, this subsection shall not apply and directors shall be elected in accordance with subsection (d) below.

(d) Not later than the first annual meeting after the termination of the Class "B" Control Period, the Board shall be increased to seven directors and an election shall be held. Six directors shall be elected by the Members. Three directors shall serve a term of two years, and three directors shall serve a term of one year, as such directors determine among themselves. Until termination of the Class "B" membership, the Class "B" Member shall be entitled to appoint one director.

(e) Upon termination of the Class "B" membership, the director elected by the Class "B" Member shall resign and the remaining directors shall be entitled to appoint a director to serve until the next annual meeting, at which time the Members shall be entitled to elect a director to fill such position. Such director shall be elected for a term of two years.

(f) Upon the expiration of the term of office of each director elected by the Members, the Members entitled to elect such director shall be entitled to elect a successor to serve a term of two years. The directors elected by the Members shall hold office until their respective successors have been elected.

3.6 Removal of Directors and Vacancies. Any director elected by the Members may be removed, with or without cause, by the vote of Members representing a majority of the Class "A" votes, but shall not be subject to removal solely by the Class "B" Member. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Members to fill the vacancy for the remainder of the term of such director.

Any director elected by the Members who has three consecutive unexcused absences from Board meetings, or who is more than 30 days delinquent (or is the resident of a Unit that is delinquent or representative of a Member who is delinquent) in the payment of any assessment or other charge due the Association, may be removed by a majority of the directors, and the Board may appoint a successor to fill the vacancy until the next annual meeting, at which time the Members may elect a successor for the remainder of the term.

In the event of the death, disability, or resignation of a director, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Members may elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by the Class "B" Member or to any director serving as a representative of the Declarant. The Class "B" Member or the Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability or resignation of a director appointed by or elected as a representative of the Class "B" Member or the Declarant.

B. Meetings.

3.7 Organizational Meetings. Within 30 days after the election or appointment of new directors, the Board shall hold an organizational meeting at such time and place as the Board shall set.

3.8 Regular Meetings. Regular meetings of the Board may be held at such time and place a majority of the directors shall determine, but at least four such meetings shall be held during each fiscal year with at least one per quarter. Notice of the time and place of a regular meeting shall be communicated to directors not less than four days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

3.9 Special Meetings. Special meetings of the Board shall be held when called by written notice signed by the President or Vice President or by any two directors. Notice of a regular meeting shall be communicated to directors in accordance with applicable law. Notice of a special meeting shall be communicated to directors not less than 72 hours prior to meeting. No notice need be given to any director who has signed a waiver of notice or a written consent to holding of the meeting. The notice shall specify the time and place of the meeting, and in the case of a special meeting, the nature of any special business to be considered. Notices shall be given to each director by: (a) personal delivery; (b) first class mail, postage prepaid; (c) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (d) telecopier transmission to the director's home or office, with confirmation of receipt by the receiving telecopier; (e) telegram, charges prepaid; (f) overnight or same day delivery, charges prepaid; (g) to the extent permitted by South Carolina and federal law, electronic mail or e-mail using Internet accessible equipment and services if the director has consented in writing to such method of delivery and has provided the Board with an electronic mail or e-mail address. All such notices shall be given at the director's telephone or telecopier number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deemed communicated when deposited into a United States mailbox. Notices given by personal, overnight or courier delivery, telephone, telecopier, or telegraph, electronic mail or e-mail shall be deemed communicated when delivered, telephoned, telecopied, electronically mailed, e-mailed or given to the telegraph company.

3.10 Waiver of Notice. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.11 Participation in Meetings. Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of telephone conference, video conference, or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

3.12 Quorum of Board of Directors. At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these Third Amended and Restated By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the

withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors present at such meeting may adjourn the meeting to a time not less than five and not more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.13 Compensation. Directors shall not receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total Class "A" votes in the Association at a regular or special meeting of the Association. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors. Nothing herein shall prohibit the Association from compensating a director, or any entity with which a director is affiliated, for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board of Directors, excluding the interested director.

3.14 Conduct of Meetings. The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings.

3.15 Open Meetings. Subject to the provisions of Sections 3.11 and 3.16, all meetings of the Board shall be open to all Members and, if required by law, all Owners, but attendees other than directors may not participate in any discussion or deliberation unless permission to speak is requested on their behalf by a director. In such case, the President may limit the time any such individual may speak. Notwithstanding the above, the President may adjourn any meeting of the Board and reconvene in executive session, and may exclude persons other than directors, to discuss matters of a sensitive nature, such as pending or threatened litigation, personnel matters, etc.

3.16 Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

3.17 Powers. The Board of Directors shall have all of the powers and duties necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Governing Documents, and as provided by law. The Board may do or cause to be done all acts and things that the Governing Documents, or South Carolina law do not direct to be done and exercised exclusively by the Members or the membership generally.

3.18 Duties. The duties of the Board shall include, without limitation:

(a) preparing and adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the Common Expenses, including any expenses associated with the Exclusive Common Areas;

(b) levying and collecting such assessments from the Owners;

- (c) providing for the operation, care, upkeep, and maintenance of the Area of Common Responsibility;
- (d) designating, hiring, and dismissing the personnel necessary to carry out the rights and responsibilities of the Association and where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;
- (e) depositing all funds received on behalf of the Association in a bank depository which it shall approve, and using such funds to operate the Association; provided, any reserve funds may be deposited, in the directors' best business judgment, in depositories other than banks;
- (f) making and amending use restrictions and rules in accordance with the Declaration;
- (g) opening of bank accounts on behalf of the Association and designating the signatories required;
- (h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the Governing Documents;
- (i) enforcing by legal means the provisions of the Governing Documents and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association; provided, the Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board in the exercise of its business judgment determines is or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action;
- (j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;
- (k) paying the costs of all services rendered to the Association;
- (l) keeping books with detailed accounts of the receipts and expenditures of the Association;
- (m) making available to any prospective purchaser of a Unit, any Owner, and the holders, insurers, and guarantors of any Mortgage on any Unit, current copies of the Governing Documents and all other books, records, and financial statements of the Association as provided in Section 6.4;
- (n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Properties;
- (o) indemnifying a director, officer, ARB or committee member, or former director, officer, or ARB or committee member of the Association to the extent such indemnity is required by South Carolina law or the Governing Documents; and
- (p) assisting in the resolution of disputes between Owners and others without litigation, as set forth in the Declaration.

3.19 Right of Class "B" Member to Disapprove Actions. So long as the Class "B" membership exists, the Class "B" Member shall have a right to disapprove any action, policy or program of the Association, the Board and any committee which, in the sole judgment of the Class "B" Member, would tend to impair rights of the Declarant or Builders under the Declaration or these Third Amended and Restated By-Laws, or interfere with development or construction of any portion of the Properties, or diminish the level of services being provided by the Association.

(a) The Class "B" Member shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, which notice complies as to the Board meetings with Sections 3.8, 3.9, 3.10, and 3.11 and which notice shall, except in the case of the regular meetings held pursuant to these Third Amended and Restated By-Laws, set forth with reasonable particularity the agenda to be followed at such meeting; and

(b) The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein.

No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met.

The Class "B" Member, its representatives or agents shall make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee. The Class "B" Member, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within 10 days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within 10 days following receipt of written notice of the proposed action. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

3.20 Management. The Board of Directors may employ for the Association a professional management agent or agents at such compensation as the Board may establish, to perform such duties and services as the Board shall authorize. The Board of Directors may delegate such powers as are necessary to perform the manager's assigned duties, but shall not delegate policy-making authority or those duties set forth in Sections 3.18(a), 3.18(b), 3.18(f), 3.18(g) and 3.18(i). The Declarant or an affiliate of the Declarant may be employed as managing agent or manager.

The Board of Directors may delegate to one of its members the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

3.21 Accounts and Reports. The following management standards of performance shall be followed unless the Board by resolution specifically determines otherwise:

(a) accrual accounting, as defined by generally accepted accounting principles, shall be employed;

(b) accounting and controls should conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; anything of value received shall benefit the Association;

(e) any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board of Directors;

(f) commencing at the end of the quarter in which the first Unit is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis;

(ii) a statement reflecting all cash receipts and disbursements for the preceding period;

(iii) a variance report reflecting the status of all accounts in an "actual" versus "approved" budget format;

(iv) a balance sheet as of the last day of the preceding period; and

(v) a delinquency report listing all Owners who are delinquent in paying any assessments at the time of the report and describing the status of any action to collect such assessments which remain delinquent (any assessment or installment thereof shall be considered to be delinquent on the 15th day following the due date unless otherwise specified by Board resolution); and

(g) an annual report consisting of at least the following shall be made available to all Members within 120 days after the close of the fiscal year: (1) a balance sheet; (2) an operating (income) statement; and (3) a statement of changes in financial position for the fiscal year. Such annual report shall be prepared on an audited, reviewed, or compiled basis, as the Board determines, by an independent public accountant.

3.22 **Borrowing.** The Association shall have the power to borrow money for any legal purpose; provided, the Board shall obtain Member approval in the same manner provided in Section 8.6 of the Declaration for Special Assessments if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous 12-month period, exceeds or would exceed 10% of the budgeted gross expenses of the Association for that fiscal year.

3.23 **Right to Contract.** The Association shall have the right to contract with any Person for the performance of various duties and functions. This right shall include, without limitation, the right to enter into common and/or long-term management, operational, or other agreements with trusts, condominiums, cooperatives, or other owners or residents associations within and outside the Properties;

provided, any common management agreement shall require the consent of a majority of the total number of directors of the Association.

3.24 Enforcement. In addition to such other rights as are specifically granted under the Declaration, the Board shall have the power to impose reasonable monetary fines, which shall constitute a lien upon the Unit of the violator, and to suspend an Owner's right to vote for violation of any duty imposed under the Governing Documents. In addition, the Board may suspend any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than 30 days delinquent in paying any assessment or other charges owed to the Association. In the event that any occupant, tenant, employee, guest or invitee of a Unit violates the Declaration, these Third Amended and Restated By-Laws, or a rule and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Governing Documents shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder or under the Declaration, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than 10 days within which the alleged violator may present a written request for a hearing to the Board or the Covenants Committee, if one has been appointed pursuant to Article V; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within 10 days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed; provided the Board or Covenants Committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the 10-day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

(b) Hearing. If a hearing is requested within the allotted 10-day period, the hearing shall be held before the Covenants Committee, or if none has been appointed, then before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notices shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(c) Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board of Directors. To exercise this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within 10 days after the hearing date.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary in this Article, the Board may elect to enforce any provision of the Declaration, these Third Amended and Restated By-Laws, or the rules of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules) or, following compliance with the dispute resolution procedures set forth in Article XIV of the Declaration, if applicable, by suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred. Any entry onto a Unit for purposes of exercising this power of self-help shall not be deemed as trespass.

3.25 Board and Officer Training. The Board may conduct or provide for seminars and continuing educational opportunities designed to educate and inform its officers and directors of their responsibilities as officers and directors. Such programs may include instruction on applicable South Carolina corporate and fiduciary law principles, other issues relating to administering community affairs and upholding and enforcing the Governing Documents. The Board may retain industry professionals, which may include property managers, attorneys and accountants, as appropriate or necessary for such purpose. Expenses relating to such educational opportunities shall be a Common Expense of the Association.

The Board may also provide, or provide for, Owner and occupant education designed to foster a better understanding of Daniel Island's governance and operations and leadership training classes designed to educate Members of the nomination, election, and voting processes and the duties and responsibilities of the directors and officers.

ARTICLE IV: OFFICERS

4.1 Officers. The officers of the Association shall be a President, Vice President, Secretary, and Treasurer. The President and Secretary shall be elected from among the members of the Board; other officers may, but need not be members of the Board. The Board may appoint such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have such authority and perform such duties as the Board prescribes. Any two or more offices may be held by the same person, except the offices of President and Secretary.

4.2 Election and Term of Office. The Board shall elect the officers of the Association annually at the organizational meeting of each new Board, to serve until their successors are elected.

4.3 Removal and Vacancies. The Board may remove any officer whenever in its judgment the best interests of the Association will be served, and may fill any vacancy in any office arising because of death, resignation, removal, or otherwise, for the unexpired portion of the term.

4.4 Powers and Duties. The officers of the Association shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may specifically be conferred or imposed by the Board of Directors. The President shall be the chief executive officer of the Association. The Treasurer shall have primary responsibility for the preparation of the budget as provided for in the Declaration and may delegate all or part of the preparation and notification duties to a finance committee, management agent, or both. The Secretary shall be responsible for preparing minutes of meetings of the Members and the Board and for authenticating records of the Association.

4.5 Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.6 Agreements, Contracts, Deeds, Leases, Checks, Etc. During the Class B Control Period, the Declarant may authorize a member of the Board appointed by the Declarant or the President of the Association to execute any and all agreements, contracts, deeds, leases, checks, and other instruments on behalf of the Association. Following the termination of the Class B Control Period and unless otherwise determined by the Board in its reasonable discretion, all agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two officers of the Association. In addition, the Board may designate and authorize other person or persons, who are not officers of the

Association, to execute documents and instruments on behalf of the Association by a written resolution of the Board authorizing such person or persons.

4.7 Compensation. Compensation of officers shall be subject to the same limitations as compensation of directors under Section 3.13.

ARTICLE V: COMMITTEES

5.1 General. The Board may appoint such committees as it deems appropriate to perform such tasks and to serve for such periods as the Board may designate by resolution. Each committee shall operate in accordance with the terms of such resolution.

5.2 Covenants Committee. In addition to any other committees which the Board may establish pursuant to Section 5.1, the Board may appoint a Covenants Committee consisting of at least three and no more than seven Members. Acting in accordance with the provisions of the Declaration, these Third Amended and Restated By-Laws, and resolutions the Board may adopt, the Covenants Committee, if established, shall be the hearing tribunal of the Association and shall conduct all hearings held pursuant to Section 3.24 of these Third Amended and Restated By-Laws.

5.3 Committee Membership. The Board shall strive to appoint persons to serve on a committee who have the necessary knowledge, experience or education to provide service and information to the committee necessary for the committee to fulfill its obligations in an efficient and competent manner. By way of illustration only, the Board shall strive to appoint persons to serve on the ARB or Modification Committee, as referenced in Article IX of the Declaration, who have professional knowledge, experience or education in architecture, engineering, design, landscaping, construction, or similar areas which are necessary to fulfill the duties of such committee. Further, the Board will strive to appoint persons to serve on any finance committee who have professional knowledge, experience or education in budgeting, finance, accounting, cash management, or similar areas which are necessary to fulfill the obligations of a finance committee member.

ARTICLE VI: MISCELLANEOUS

6.1 Fiscal Year. The fiscal year of the Association shall be the calendar year unless the Board establishes a different fiscal year by resolution.

6.2 Parliamentary Rules. Except as may be modified by Board resolution, Robert's Rules of Order Newly Revised (current edition) shall govern the conduct of Association proceedings when not in conflict with South Carolina law, the Articles of Incorporation, the Declaration, or these Third Amended and Restated By-Laws.

6.3 Conflicts. If there are conflicts between the provisions of South Carolina law, the Articles of Incorporation, the Declaration, and these Third Amended and Restated By-Laws, the provisions of South Carolina law, the Declaration, the Articles of Incorporation, and the Third Amended and Restated By-Laws (in that order) shall prevail.

6.4 Books and Records.

(a) Inspection by Members and Mortgagees. The Board shall make available for inspection and copying by any holder, insurer or guarantor of a first Mortgage on a Unit, any Member, or the duly appointed representative of any of the foregoing at any reasonable time and for a purpose reasonably related to his or her interest in a Unit: the Governing Documents including any amendments,

supplements, consolidations and restatements to the foregoing, the rules of the Association, the membership register, books of account, and the minutes of meetings of the Members, the Board, and committees. The Board shall provide for such inspection to take place at the office of the Association or at such other place within the Properties as the Board shall designate during normal business hours.

(b) Rules for Inspection. The Board shall establish rules with respect to:

- (i) notice to be given to the custodian of the records;
- (ii) hours and days of the week when such an inspection may be made; and
- (iii) payment of the cost of reproducing documents requested.

(c) Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make a copy of relevant documents at the expense of the Association.

6.5 Notices. Except as otherwise provided in the Declaration or these Third Amended and Restated By-Laws, all notices, demands, bills, statements, or other communications under the Declaration or these Third Amended and Restated By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or if sent by United States mail, first class postage prepaid:

(a) if to a Member or Member, at the address which the Member or Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Unit of such Member or Member; or

(b) if to the Association, the Board, or the managing agent, at the principal office of the Association or the managing agent or at such other address as shall be designated by notice in writing to the Members pursuant to this Section.

If mailed, any notice shall be deemed to be delivered when deposited in the United States mail addressed with postage prepaid. To increase flexibility, any Person, including the Association may consent to request in writing additional methods of receiving notice, including but not limited to, facsimile, electronic mail, or e-mail.

6.6 Amendment.

(a) By Class "B" Member. The Declarant may unilaterally amend these Third Amended and Restated By-Laws at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Units; or (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Units; provided, however, any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent thereto in writing. So long as the Class "B" membership exists, the Declarant may unilaterally amend these Third Amended and Restated By-Laws for any other purpose, provided the amendment has no material adverse effect upon any right of any Member; provided, however, the U.S. Department of Veterans Affairs and the U.S. Department of Housing and Urban Development shall have

the right to disapprove any such amendment if either organization is insuring or guaranteeing Mortgages in the Properties.

(b) By Members Generally. Except as provided above, these Third Amended and Restated By-Laws may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing 51% of the total Class "A" votes in the Association, and the consent of the Class "B" Member, if such exists. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date of Amendments. Amendments to these Third Amended and Restated By-Laws shall become effective upon recordation in the Public Records, unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of these Third Amended and Restated By-Laws.

No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant, the Class "B" Member, or the assignee of such right or privilege.
